Session 1

Once in a Lifetime – Discuss different parts of the film and share your ideas on Tapestry.

Session 2

Draw a scene from the film.

Session 3

Can you write a sentence to explain what's happening?

Science

Up and away

Can you make a kite?
There are lots of ideas on how to do this online.

Enrichment

Travel

Can you make a junk model vehicle?

Paper Planes

Learn to make [paper planes](#). Why not see whose plane can fly the furthest?

Ready, Steady, Cook!

Help your adults to prepare a meal for the family

Project – Transport

Kindly borrowed from Robin Hood MAT

The project this week aims to provide opportunities for your child to learn more about transport. Learning may focus on modes of transport, transport in the past, the science behind transport, road safety and how to be safe around water.

Traffic Lights

Create a set of traffic lights.

Run around the garden/ outdoor space. When you

say/ point to a colour on the traffic light they have to do the following:

Red: Stop or freeze

Orange: Walk slowly

Green: Run

Boat

Make a plastic Bowl Boat

Follow the instructions

Give instructions to guide each other around the house/ garden i.e. forward two steps, turn left, forward two more steps.

Can you draw a map to show the way around the house?

Keeping Active

(Try at least two of the following this week. Get your family involved too!)

There are lots of ways to stay active. Why not try: a bike ride, a walk, a scavenger hunt, Joe Wicks, BBC Supermovers, Cosmic Kids, Real PE, Active Norfolk or get creative yourself!
