Brilliant Brollies!

[Beulah Henry](#) was a famous American inventor who invented over 100 new products. She made several umbrella inventions from clip-on covers to special umbrella bags. If you were going to design an umbrella, what would it look like and what materials would you use? Try making a model umbrella using junk box materials you might find at home.

Enrichment

Royal meal

Help to plan a special meal.
Remember manners are very
important, try to be like a king or
queen and use special etiquette.

Scavenger Hunt

Using the template on Seesaw
(or create your own) can you
complete a Scavenger Hunt
around your area?

Jack and the beanstalk

Listen to more of the story and
learn some of the songs

Project – Famous Significant People

Kindly borrowed from Robin Hood MAT

The project this week aims to provide opportunities for your child to learn more about famous or significant people. Learning may focus on past or present inventors, explorers or scientists and how they influence society today.

How Important is Mary Seacole?

[Mary Seacole](#) was a Jamaican-born nurse who is remembered for helping soldiers during the Crimean War. Using the video, create a simple timeline of Mary Seacole's life. If this is too challenging, why not design an award for Mary Seacole. You could also locate Jamaica and Scotland on a world map.

Keep them Clean!

Mary Seacole visited Florence Nightingale, another important nurse, during the Crimean War. Florence Nightingale was known for highlighting the importance of hygiene when caring for the sick, particularly handwashing. Create handwashing posters for the home or. They might want to make up a jingle too!

The Queen: Then and Now

What was life like for [Queen Elizabeth I](#)? How is life different for the current queen, Queen Elizabeth II? Create a list of the similarities and differences. They might focus on appearance, family and interests. You could show this using illustrations too.

Keeping Active

(Try at least two of the following this week. Get your family involved too!)

There are lots of ways to stay active. Why not try: a bike ride, a walk, a scavenger hunt, Joe Wicks, BBC Supermovers, Cosmic Kids, Real PE, Active Norfolk or get creative yourself!
