Learning Project 'Rainforest'

The project this week aims to provide opportunities for your child to learn more about the world's rainforests. Learning may focus on the plants, animals and insects that inhabit the rainforest, food that originates there and weather patterns. Choose from the following:

Project 1: Deforestation

Create a poster or presentation highlighting the issues around deforestation.
Think of the causes of the problem and what we can do to help.

Project 2. Research a Rainforest animal

Choose an animal that lives in the rainforest and create a fact file about it.

Enrichment

Cooking with chocolate

Find a chocolate recipe to make.
