

# Harnser ICT Code of Conduct agreement form: parents/carer

(Updated December 2016)

**Parent / carer name:**.....

**Pupil name:** .....

**Pupil's registration class:** .....

As the parent or carer of the above pupil(s), I grant permission for my child to have access to use the Internet, school email and other ICT facilities at school.

I know that my daughter or son has agreed that they will keep to the school's rules for responsible ICT use, outlined in the Pupil ICT code of conduct, (see the attached copy ). I also understand that my son/daughter may be informed, if the rules have to be changed during the year. I know that the latest copy is available on the Harnser School's Website in the policy section: (insert link) and that further advice about safe use of the Internet can be found at <http://www.harnserfed.co.uk/the-federation/online-safety/>

I accept that ultimately the school cannot be held responsible for the nature and content of materials accessed through the Internet and mobile technologies, but I understand that the school will take every reasonable precaution to keep pupils safe and to prevent pupils from accessing inappropriate materials. These steps include using a filtered internet service, safe access to email, employing appropriate teaching practice and teaching online safety skills to pupils.

I understand that the school can check my child's computer files, and the websites they visit. I also know that the school may contact me if there are concerns about my son/daughter's online safety or online behaviour.

I will support the school by promoting safe use of the Internet and digital technology at home and will inform the school if I have any concerns over my child's online safety.
