

Hainford Class 3 Home Learning

Week beginning Monday 4th May 2020

DAILY EXPECTATIONS

15 mins: Read your own book/magazine or newspaper
x1 Maths activity x1 Reading activity x1 Writing activity

READING

Guided Reading

- 1) Create your own login for www.oxfordowl.co.uk and read 'Pirate Poems'.
- 2) Task: Pick your favourite poem and learn it off by heart. Maybe add some actions to help you.
- 3) Video it for Seesaw.

Class Book:

- 1) This week's class book will be read by Miss Williams on Seesaw.
- 2) You'll be asked some questions to discuss and set a task to complete.
- 3) Photograph your task and post it on Seesaw.

Free Reading:

Spend 15 mins every day reading your own book, magazine or newspaper.

[First News newspaper for Kids](#)
[National Geographic Kids](#)
[Sports Illustrated for Kids](#)
[LEGO Life Magazine](#)
[Kids' Guide to Helping Animals](#)

WRITING

Write a poem about FOOD with some rhyming lines. It could be descriptive or silly/funny.
Do some research about different food poems here: <https://www.poetry4kids.com/topic/food/>

Planning:

- Plan your structure, thinking about stanzas, number of lines, rhyming pattern, rhythm and repetition.
- Use this rhyming dictionary to draft some rhyming lines:
<https://www.poetry4kids.com/rhymes/>

Writing:

- Write or type your poem and add some illustrations or images.
- Practise reading your poem aloud as you go along to help with flow and rhythm.
- If you're writing, please use your best joined handwriting!

Editing:

- Use a thesaurus to find better words and a dictionary to correct spellings (book/online).
- Can you find any lines that could be improved?
- Video reading your writing or photograph it for Seesaw.

SPELLING

10mins x3 a week

Spelling List:

Create free accounts on these websites and pick a word list:

- Spelling Frame has online activities and games:
<https://spellingframe.co.uk/>
- Spell Zone has wordsearches, worksheets and online games:
www.spellzone.com/

Other Activities:

- www.spellingshed.com/en-gb
- www.vocabularyninja.co.uk
- www.twinkl.co.uk
- Home pack SPaG sheets
- Word searches and crosswords
- 'Bananagrams' and 'Articulate'

MATHS

Year 4:

- 1) Look at some food packets in your kitchen cupboards and find the weights. Add the weights and give the total in g and in kg.
- 2) Pick your 3 favourite films. Add up lengths of time. Give the total in minutes and in hours and mins.
- 3) Measure the length of all your pencils. Work out the total length in mm, cm and metres.
- 4) Post your work on Seesaw.

Year 5/6:

- 1) Look at some food packets in your kitchen cupboards and find the weights. Add the weights and give the total in g and in kg.
- 2) Pick your 5 favourite films. Add up lengths of time. Give the total in minutes and in hours and mins.
- 3) Measure the length of all your pencils. Work out the total length in mm, cm and metres.
- 4) Post your work on Seesaw.

Times Tables:

Times Tables Rock Stars for 10mins x3 a week:

www.ttrockstars.com

Other Activities:

- CPG homework book
- Home-pack sheets
- Times tables booklet
- Sudokus or card games
- www.nrich.maths.org/primary
- www.pages.sumdog.com
- www.whiterosemaths.com/homelearning/
- www.twinkl.co.uk

KEEPING ACTIVE

[Try at least two of the following this week. Get your family involved too!]

Joe Wicks

Daily workouts on YouTube

BBC Supermovers

Choose 2-3 different videos

Cosmic Kids Yoga

Available on YouTube

Real PE

(password emailed to parents)

Active Norfolk

<https://www.activenorfolk.org/active-at-home>

Get Outside

Go for a walk/cycle around your local area

SCIENCE

Float a Boat

Can you make a boat that floats in water?

What materials could you use (tinfoil, Lego, clingfilm, paper, sticks...)?

Does your boat stay afloat when you add a piece of fruit?

Can you make a boat with a sail? Will the boat move when you blow on the sail?

How many coins or weights can you add until your boat sinks?

Can you make and test boats made from different materials (e.g. plastic, card, metal, wood, paper...)?

PROJECT

'The Environment'

Weather Reporter (Computing):

Can you keep a weather diary for the week? What happens to the sun, clouds, wind and temperature? What symbols could use to record the different types of weather? Can you present your weather report on Word, PowerPoint, Scratch Junior or iMovie?

Switch it off (Geography):

How could you use less electricity in your home? Can you make a poster for your family? Can you get out and about in your local area picking up litter? How could you encourage people to put their litter in the bin to protect the environment?

Recycling Materials (Science):

Can you identify and group the materials that can be recycled (plastic, wood, metal, card, paper)? Can you plant leftover seeds, beans, onions or potatoes instead of throwing them away? Can you identify fruit and veg waste that could be composted for growing new plants?

ENRICHMENT

Life Skills and Creative Expression

Using Sign Language

Can you learn the alphabet in British Sign Language (BSL)? Can you use this to finger spell your first and last name? Can you learn some basic BSL signs? Can you sign a song?

<https://www.british-sign.co.uk/fingerspelling-alphabet-charts/>

<https://www.youtube.com/watch?v=gMNHvXSW4iE>

<https://www.youtube.com/channel/UC1AQHr56l9ayVzcEFhZrsJg>

Playing Games

Can you pick a card game or board game to play with your family? Can you read and follow the instructions? Can you take the lead or keep score? Can you take turns and play fairly? Can you try different games and pick a favourite?

<https://www.activityvillage.co.uk/card-games>

<https://www.smythstoys.com/uk/en-gb/toys/games-puzzles-and-books/board-games/childrens-board-games/c/SM0601061601>

Dancing

Can you choreograph a dance for yourself or a character on code.org? Can you keep fit with Zumba for Kids? Can you learn a dance routine with Oti Mabuse from Strictly Come Dancing?

<https://code.org/dance>
