All about Me

Year: R
Term: Autumn

Visit/Visitor

We will walk to church to share celebrations.

PSED

We are learning to be confident at school and to feel safe. We are thinking hard about how we can be good friends.

Phonics

We will be listening for rhymes in stories and poems. We will also be tuning our ears to hear sounds in words and the environment.

The World

We like to investigate the world around us and ask lots of questions about what we see, feel, touch and smell.

Maths

We are learning lots of maths rhymes and using our strong maths fingers when counting.

Writing

We will have plenty of opportunities to make marks with all sorts of media to develop the muscles in our hands and our hand eye co-ordination

Creative Arts

We have lots of opportunities to paint, draw and make models in the classroom. We will be making a self-portrait this term.

Communication and Language

We are learning to be great listeners so we are able to learn with our friends.

Reading

We share books with adults and our friends. We are using the pictures to tell our stories and learning to turn the pages carefully.

Music

We will sing songs and have plenty of opportunities to play percussion instruments. We will also put music to stories to make them more fun.

People and communities

We are learning about our friends and our families and finding out about ourselves and our classroom.

PD

PE Kits needed on Monday and Wednesday. We will perform dances using a range of movement and patterns.

Big Question:

How and why do we celebrate?
