

Class 1 Home Learning
WC 1st June 2020

Daily Expectations

- Spend **15 minutes** reading- books, comics, magazines- any reading is great!
- Spend **15 minutes** doing some maths on **Numbots, Sumdog or My Maths**
- Practise reading and writing these words:
 - **what**
 - **when**
 - **where**
 - **went**
 - **with**

Write each one in a sentence. Can you use more than one?

Writing

***Shopping List:** Write a shopping list for the week.
Can you group the items? e.g. meats, dairy, fruit

***Dream Meal:** Design a packet for your dream meal.
Can you make people want to eat it?

***Milkshake!:** Invent a new milkshake. Write the recipe. **Can you make your milkshake?**

***Instructions:** Write a set of instructions for making toast. Don't forget your bossy words!

Reading

*Read a book aloud to someone at home

*Read some poems about food

*Read out the ingredients from a food packet aloud.
What strategies did you use to help you?

*Find a menu at home (or online) and read some of the foods. **Can you write them in alphabetical order?**

*Find a recipe in a cookbook or online. Read it and follow the instructions to make the dish.

Maths- Food Maths: Sharing

***1 For You, 1 For Me:** Share out sweets/ grapes (e.g.) equally between two people, giving one to each person until there are none left. **How many did you have? How many does each have? Is it fair?**

***Food:** Cut a pizza or cake (e.g) equally into two and then four parts. **What do we call these parts?**

***Arrays:** Create arrays by sharing 20 sweets into equal groups. Start with 2 groups of 10. **Which other ways can you find to share 20 sweets equally?**

***Problem-Solving:** Start with 20 objects (Smarties or Maltesers would be great!) Share them equally into 2, 5 and then 10 groups. **What other numbers can you find that could be shared into these groups?**

Food

Project borrowed from Robin Hood MAT

***Dream Meal:** Create your dream meal! (See below)

***Science/ DT:** Sort a range of foods according to whether they are healthy or unhealthy

***Art: Arcimboldo:** Create a piece of artwork using fruit and vegetables, just like Giuseppe Arcimboldo! (See below)

***R.E.: Festivals:** Think about 2 festivals and compare. **How are they similar? What makes them different?**

***Favourites:** Create a tally chart and pictogram of your family's favourite foods. **Which is most popular?**

Enrichment Activities

👏 **Get Messy!:** Make some Gloop from cornflour and water. **What happens to it? How does it change?**

Restaurant: Find a few simple recipes and work as a family to make a meal. Can you find a starter, main course and dessert? Who will do the measuring? Can you make a menu? Don't forget to set the table!
