

Class 1 Home Learning
WC 11th May 2020

Daily Expectations

- Spend **15 minutes** reading- books, comics, magazines- any reading is great!
- Spend **15 minutes** doing some maths on **Numbots, Sumdog or My Maths**
- Practise reading and writing these words:
 - **asked**
 - **called**
 - **people**
 - **house**
 - **mouse**

Write each one in a sentence. Can you use more than one?

Writing

*Draw and label an animal. **What features does it have?**

* Write an A-Z of Animals. **Can you think of an animal for all 26 letters?**

*Create a fact file of an animal. **What can you find out?**

*How To: Write a list of instructions for how to take care of your pet (or an animal of your choice)

Reading

*Listen to a book read aloud.

*Play some phonics games: www.phonicsplay.co.uk

*Choose a character from your favourite book and write a character profile (See template)

*Enjoy the story of 'The Three Billy Goats' Gruff. **How does the story begin? What are the main events? What happens at the end?**

Create a storyboard or write your own version of the story. (There is a lovely version here: <https://www.youtube.com/watch?v=3QzT1sq6kCY>)

Maths- Multiplication

*Sort objects into groups of 2, 5 and 10. **Can you count them? Can you think of a way to help you?**

*Multiplication Flower: Create a multiplication flower for the 2x, 5x and 10x tables. (See e.g. below)

*Create arrays to represent the 2x, 5x and 10x table using groups of objects. (See example below)

*Problem-Solving: The Amazing Splitting Plant: <https://nrich.maths.org/159>

Animals

Project borrowed from Robin Hood MAT

***Science: Grouping Animals**: Find out about a range of animals and think of ways you could group them. Think about: **What does the animal eat? Where does it live? Does the animal fly? Are they nocturnal?**

***Art: Animal Masks**: Use different materials from around your house to make a mask of an animal. Think carefully about the colours and shapes you might choose.

***Where in the World?**: Choose some animals and find out where in the world they live. Use the world map below, or create your own 3D map with toy animals

Enrichment Activities

Cosmic Kids Yoga: Peter Cottontail and the Tickly Monkeys!: Try this routine: <https://www.youtube.com/watch?v=MEp9euhuu2E&list=PL8snGkhBF7nIT4a7uqDiUB1qPBI4ZOBL&index=25&t=0s>

Music Night! Listen to some different types of music as a family. **What do you like best? What instruments can you hear?**

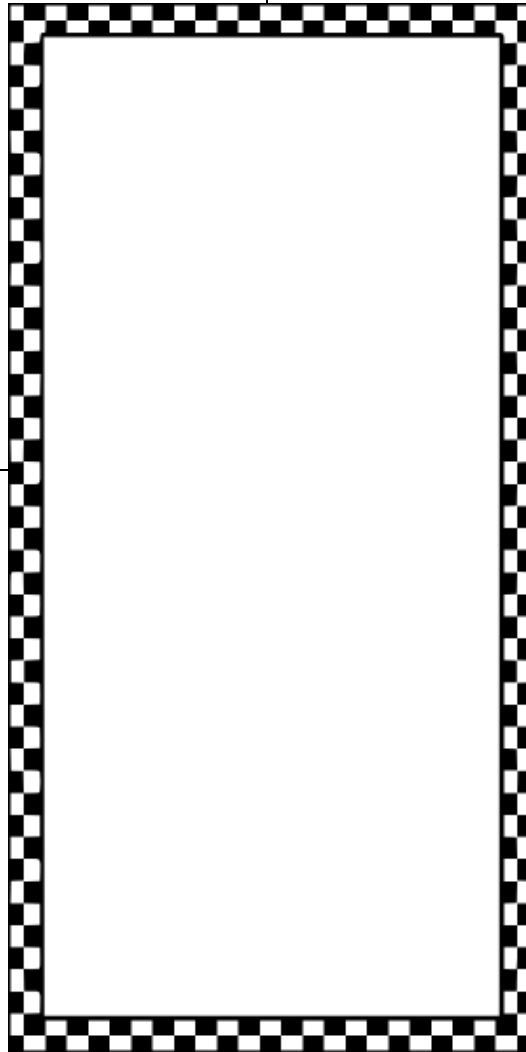

Family Time!: Play a board game together. No cheating!

Character Profile

Words to describe how I look:

Words to describe my personality:

What I do:

My likes and dislikes:

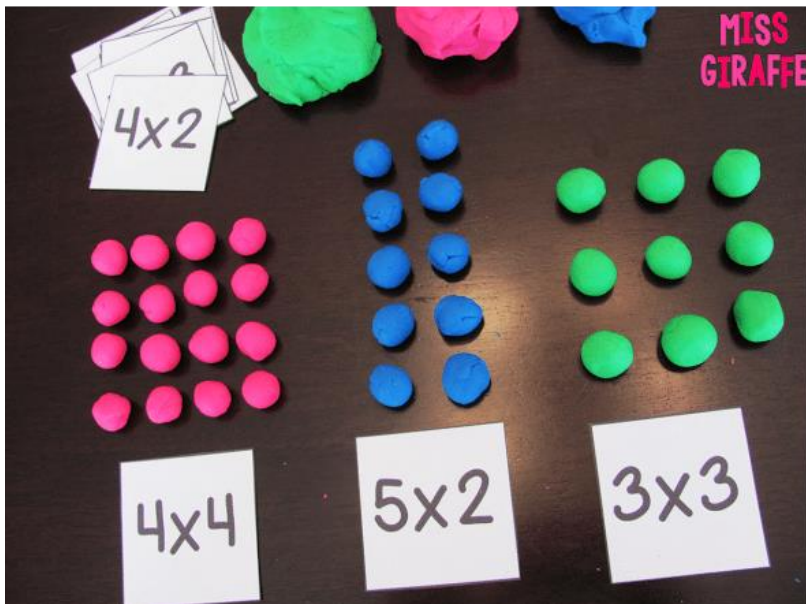

The Three Billy Goats' Gruff

Class 1 Home Learning
WC 11th May 2020

This is for the 7x table. Can you create some to show the 2x, 5x and 10x tables?

Arrays

These examples use playdough. You could use counters, coins, Lego bricks, pebbles. Have a go!
