Introduction

- We believe school uniform is extremely important to:
- give children a sense of belonging to our school community
- ensure children look smart, reflecting the high standards of our school
- create equality in terms of appearance
- provide affordable, durable clothing, suitable for the purpose
- easily identifying children when on school trips and visits.

Please ensure that all clothing and footwear is clearly named.

Aims

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers, having taken full account of the Education Act 2021 (Guidance about Cost of School Uniform)
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010
- Clarify our expectations for school uniform

Our school's legal duties under the Equality Act 2010

The Equality Act 2010 prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.

To avoid discrimination, our school will:

- Allow for adaptations to our policy on the grounds of equality by asking parents to get in touch with the Head of School who can answer questions about the policy and respond to any requests.

Limiting the cost of school uniform

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory guidance from the Department for Education on the cost of school uniform. We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

We will make sure our uniform:

- Is available at a reasonable cost
- Provides the best value for money for parents/ carers

We will do this by:

- Carefully considering whether any items with distinctive characteristics are necessary
- Limiting any items with distinctive characteristics where possible featuring the school logo
- Limiting items with distinctive characteristics to low-cost or long-lasting items, such as ties
- Avoiding specific requirements for items pupils could wear on non-school days, such as coats, bags and shoes
- Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveller
- Avoiding different uniform requirements for different year/class/house groups
- Avoiding different uniform requirements for extra-curricular activities
- Considering alternative methods for signalling differences in groups for interschool competitions, such as creating posters or labels
- Making sure that arrangements are in place for parents to acquire second-hand uniform items
- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes
- Consulting with parents and pupils on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy

Expectations for school uniform

There is no expectation to purchase branded items for the school uniform. Branded cardigans and sweater are available with details found at the school office.

- A classic watch may be worn (no smart watches)
- No other jewellery is permitted without the approval of the Head of School

Where to purchase it

All other items of clothing can be purchased readily from large supermarkets and high street retailers. School often has a collection of unclaimed and donated school uniform which is available from the school office. Parents may select any items free of charge.
