

Hello to all the parents and carers,

Now that the children have settled back into their school routines, we thought it would be a lovely opportunity for our new PTA team to introduce ourselves.

We have introduced ourselves in the school groups, but we appreciate that not everyone may know who we are yet — so here's a little bit about each of us!

Sonya

CHAIRPERSON

I'm a mum of two, with children in Reception and Year 2.

We're still relatively new to the school, as my eldest joined part-way through Year 1. Since then, she has absolutely thrived and has loved becoming part of village school life.

You'll mostly see me on the school run on Mondays and Wednesdays, as I work part-time as a nurse in the hospital for the rest of the week.

I joined the PTA because I love organising events and creating fun, memorable experiences for children. Working in the public sector myself, I also see first-hand the pressures that budget cuts can place on our services.

Our school works incredibly hard to give our children the best possible start to their education. If we can support that through fundraising, resources, projects and experiences, we can help enhance our children's education while also showing our appreciation for the wonderful staff who make it possible.

Hollie

TREASURER

I'm a mum to a child in Year 1.

I work part-time for a local independent financial adviser firm as a senior administrator.

You will see me on Wednesdays and Fridays on the school run.

I enjoy planning and organising events and I'm particularly looking forward to helping the PTA make the most of the money we raise, while keeping everything carefully managed and within budget.

I'm excited to be part of the new PTA team and to help create some great opportunities and experiences for all the children.

Big plans
for our little
learners

Jenna

SECRETARY

I'm a mum of two, with children in Year 1 and Year 4. I work part-time as a nurse at a doctor's surgery, so life can be pretty busy!

I joined the PTA because I really believe childhood should be about making memories, having fun and, most importantly, letting kids be kids!

I'm looking forward to helping organise fun events and activities for the children, while hopefully raising money along the way to make their school experiences even more special.

Happy children
bright futures

We want to hear from you!

We're a friendly group and are always open to ideas, suggestions and solution-focused thinking. Most importantly, we want the PTA to work with you — the parents and carers — to support the events, projects and causes that matter most to our school community.

All ideas
are welcome!

We'd love to hear:

What you would like to see the PTA fund or support

Ideas for events or activities

Fundraising ideas

Any particular causes or projects you feel the PTA should support

All child-appropriate ideas are welcome — no suggestion is too big, too small or too silly!

Please return your suggestions to the school by the end of term.

Thank you so much for taking the time to read this and, most importantly, for your continued support of our school and PTA.

We're really looking forward to working together and seeing what we can achieve for the children!

Sonya, Hollie & Jenna
