## Karl Nova

Karl Nova is one of the UK's leading poets and hip hop artists delivering his work in his own unique, witty and energetic style.

Born and raised in London, as well as Lagos, Karl always found it difficult to fit in. This reflects in his music because he speaks as one who knows what it is like to be on the margins, in a world where conformity seems to be the key in gaining acceptance. He has always been one to defy expectations and go against the grain. Karl has also recently won the CLiPPA 2018 Award, and one of the UK's most prestigious literary awards "The Ruth Rendell Award 2020"
