

# LEARNING THROUGH ART - MATHS (KS2)

Discover a range of art and craft activities, which can be used to support and enhance children's maths development. Activities will be themed to get them thinking not only about their art, but also about shapes, length, symmetry and mathematical vocabulary.

**If you would like to attend this course, please contact:**

*Your details will be forwarded to Norfolk County Council for booking purposes, they will not be shared with any other parties.*
