Issue 3

May 2022

Dear Parents/carers,

It feels like we are nearing the end of another school year, the sun is shining and we still have lots to look forward to.

First of all, we had our AGM last week – Gail stepped down from her role as treasurer. A massive thank you to Gail for all of her hard work and attention to detail over the last few years. Ashleigh has stepped in to this role, some big boots to fill. So welcome to Ashleigh, we look forward to working with you to support the children and the school.

Summary of last year's events and fundraising

It was an easier year for us, but still wasn't back to normal.

Despite this we managed to host a few events – garage sale, quizzes, Christmas and Mothers day shop to name a few.

Summary of what we have done to support the school

Using this money we have paid for the book bags that went to all new reception children, bought shirts for the Year 6's to sign and funded their leaving party and we will do so again this year.

We have also continued to pay for subscriptions that the children are using in their lessons including the adopted Amur Leopard in class 2.

Dates for diary

Going forward

Mr Cross has asked us to fundraise to develop and build upon the existing trim trail – to make it more exciting and challenging for the children. We also want to add to the outside play equipment – the children are very much enjoying tennis at the moment in their break times so we want to add to this and provide other opportunities for play.

We would LOVE to hear from you about ideas – what can we do to fund raise? What would you like to take part in? We know that quizzes aren't for everyone for example, what would you like us to host? Do get in touch – either on facebook, grab us in the playground or you can email Donna (dizzycamper@hotmail.co.uk). Likewise, if you would like to do something yourself and donate the money, we can always support you with this.
