

### Christian Distinctiveness

<p><b>Overview</b></p>	<p>At St Faiths' Primary School, we ensure that the teaching of our Music curriculum embodies our Christian Distinctiveness and gives our children the chance to be the best they can be. We regularly refer to and reinforce our School Values:</p> <p style="text-align: center;"><b>Compassion, Responsibility, Honesty, Forgiveness and Perseverance</b></p> <p>Through our Music curriculum, we believe our children are given a variety of opportunities to explore different ways of learning and points of view. In doing so, we give the children the tools and skills needed to develop a deeper understanding of the modern world and those within it.</p> <p>Psalm 105:2 states we should 'Sing to Him, sing praise to Him; tell of all His wonderful acts' and this is at the heart of our Music curriculum. Each class reflects on God's core values through a variety of musical expressions – including a yearly unit of song. God's <b>compassion</b> comes through our learning and through our praise in other areas of the school day, including Collective Worship. When learning a new instrument, we reflect on our <b>responsibility</b>, ensuring it is looked after well, all the while <b>persevering</b> to develop new skills.</p>
<p><b>Our Story: Noah's Ark</b></p>	<p>Through the teaching of a range of religious stories, such as our school Bible story of Noah's Ark, we further reinforce the idea that everyone is included at our school, regardless of their own life story and how different that might look to our own. By following God's word, everyone will <b>flourish</b>.</p>
