

### Christian Distinctiveness

<p><b>Overview</b></p>	<p>At St Faiths' Primary School, we ensure that the teaching of our Physical Education curriculum embodies our Christian Distinctiveness and gives our children the chance to be the best they can be. We regularly refer to and reinforce our School Values:</p> <p style="text-align: center;"><b>Compassion, Responsibility, Honesty, Forgiveness and Perseverance</b></p> <p>Through our Physical Education curriculum, we believe our children are given a variety of opportunities to explore different ways of learning and points of view. In doing so, we give the children the tools and skills needed to develop a deeper understanding of the modern world and those within it.</p> <p>PE lends itself well to all of our core values. Starting on a personal level, we encourage the children to take <b>responsibility</b> for their health and wellbeing. Across a range of sports, teamwork lends itself to <b>perseverance</b> as working together towards a common goal resembles Jesus and his disciples: working together to promote the word of God. We foster the importance of sportsmanship, and <b>compassion</b> and <b>forgiveness</b> are great values to help the children develop into healthy and well-rounded individuals.</p>
<p><b>Our Story: Noah's Ark</b></p>	<p>Through the teaching of a range of religious stories, such as our school Bible story of Noah's Ark, we further reinforce the idea that everyone is included at our school, regardless of their own life story and how different that might look to our own. By following God's word, everyone will <b>flourish</b>.</p>
