

Christian Distinctiveness

<p>Overview</p>	<p>At St Faiths' Primary School, we ensure that the teaching of our PSHE curriculum embodies our Christian Distinctiveness and gives our children the chance to be the best they can be. We regularly refer to and reinforce our School Values:</p> <p style="text-align: center;">Compassion, Responsibility, Honesty, Forgiveness and Perseverance</p> <p>Through our PSHE curriculum, we believe our children are given a variety of opportunities to explore different ways of learning and points of view. In doing so, we give the children the tools and skills needed to develop a deeper understanding of the modern world and those within it.</p> <p>Our Personal, Social and Health Education (PSHE) determines and underpins both our curriculum and our Christian Values. We bring together citizenship with personal wellbeing, whilst promoting and upholding fundamental British Values. The topics covered allow pupils the opportunity to self-reflect, identify their strengths, achievements and emotions, as well the attitude needed for success. In our Health and Wellbeing learning, children understand the importance of taking responsibility of oneself and persevering to be the best we can be. Moving through the year, considering relationships helps the children to reflect on honesty and forgiveness, while 'Living in the Wider World' helps to foster the children's compassion for others.</p>
<p>Our Story: Noah's Ark</p>	<p>Through the teaching of a range of religious stories, such as our school Bible story of Noah's Ark, we further reinforce the idea that everyone is included at our school, regardless of their own life story and how different that might look to our own. By following God's word, everyone will flourish.</p>
