

Christian Distinctiveness

<p>Overview</p>	<p>At St Faiths' Primary School, we ensure that the teaching of our RSE curriculum embodies our Christian Distinctiveness and gives our children the chance to be the best they can be. We regularly refer to and reinforce our School Values: Compassion, Responsibility, Honesty, Forgiveness and Perseverance</p> <p>Through our RSE curriculum, we believe our children are given a variety of opportunities to explore different ways of learning and points of view. In doing so, we give the children the tools and skills needed to develop a deeper understanding of the modern world and those within it.</p> <p>Complimenting our PSHE curriculum, our approach to RSE allows pupils to talk positively about healthy, fulfilling relationships based on mutual compassion, forgiveness and honesty. By encouraging pupils to aspire to and enjoy healthy and respectful relationships, we encourage them to take responsibility of their actions. Pupils can develop their own values and skills to put into practice in the real world, persevering as they learn to make safe choices and healthy decisions, whilst exploring their views and learning from the views of others.</p>
<p>Our Story: Noah's Ark</p>	<p>Through the teaching of a range of religious stories, such as our school Bible story of Noah's Ark, we further reinforce the idea that everyone is included at our school, regardless of their own life story and how different that might look to our own. By following God's word, everyone will flourish.</p>
