# **Pupil Premium Strategy Statement**

## **Frettenham Primary School**

## **Hainford Primary School**

## St. Faiths' Primary School

This statement details our school's use of pupil premium funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the outcomes for disadvantaged pupils last academic year.

Detail	Data
School Name	Frettenham Primary School
Number of pupils in school	59
Proportion (%) of pupil premium eligible pupils	15%
School Name	Hainford Primary School
Number of pupils in school	72
Proportion (%) of pupil premium eligible pupils	17%
School Name	St. Faiths' Primary School
Number of pupils in school	80
Proportion (%) of pupil premium eligible pupils	25%
Academic year/years that our current pupil premium strategy plan covers	Academic Year 2024 – 2025 Review
	Academic Year 2025 – 2026 Strategy
Date this statement was published	December 2025
Date on which it will be reviewed	December 2026

# **Funding overview**

Detail	Amount
Pupil premium funding allocation this academic year	£ 47 720
Pupil premium funding carried forward from previous years	£0
Total budget for this academic year	£47 720
Budget Share	Frettenham Primary School £ 8 625 Hainford Primary School - £ 17 780 St. Faiths' Primary School - £21 315

## Part A: Pupil Premium Strategy Plan

#### Statement of intent

Children in receipt of Pupil Premium should have equal access to a broad and balanced curriculum, in line with all pupils. We intend that they should make similar progress, from their starting points, to non-pupil premium children. Gaps will be closed through, high quality teaching and targeted, teacher-led intervention.

Vulnerable pupils will also benefit from the measures outlined in this document, with the intention of meeting their needs whilst maintaining challenge.

Pupils will have good numeracy and reading skills through quality first teaching, accessing high quality literature and rich vocabulary. Staff will focus on the Power of Reading, inspiring a love of reading.

High quality teacher and TA intervention programmes will target disadvantaged and vulnerable pupils to close gaps; we recognise the importance of early, appropriate intervention. In addition, the extensive support provided by the pastoral team intends to remove barriers to learning as well supporting social and emotional well-being.

This is a whole school approach whereby all staff have high expectations and strive for strong outcomes for all pupils.

## **Challenges**

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Lack of access to high quality texts and rich vocabulary
2	Difficulty accessing the broader curriculum when reading is a challenge
3	Current cost of living crisis impacting family dynamics and the prioritising of education
4	Increased levels of anxiety and SEMH need within our cohorts

# **Intended Outcomes**

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Gaps between Pupil Premium children and others with similar starting points, will have	Implementation of Universal Design for Learning (UDL) Training
closed	Teachers and TAs who are trauma and attachment aware practitioners
	Effective delivery of the Nebula Phonics Intervention Programme
	Data from testing, end of each term
	Teacher Assessments
	Successful monitoring and completion of intervention programmes
Improved richness and scope of vocabulary	Engagement in LTE (Let's Think in English) and PoR (Power of Reading)
	Improved use of vocabulary when writing
	Improved use of vocabulary when speaking
	Improved comprehension of identified key subject specific vocabulary across the curriculum
	Real-life opportunity to speak publicly – Nebula Speech Project
Identify and support families, as well as pupils, to ease the effects of the cost of living crisis however possible	Pupils will arrive in school ready to learn; ie not hungry, appropriately dressed, and calm.
	Engagement with Cookies Kitchen – Food Explorers for identified families and pupils.
Identify and support those pupils whose levels of anxiety and SEMH need limit their	Through pastoral intervention pupils will become less anxious and more confident.
social and academic progress	Pupils accessing sensory circuits and sensory rooms will be supported to self-regulate and feel ready to learn.
	UDL training will empower Teachers and TAs to best support all pupils in class.

# Activity in this academic year

This details how we intend to spend our pupil premium funding this academic year to address the challenges listed above.

# **Teaching**

Budgeted cost: £3744

Activity	Evidence that supports this approach	Challenge number(s) addressed
Power of Reading Books	High quality texts are used to inspire children to read and be exposed to a rich vocabulary.	1;2;3
	Additional units are introduced to strengthen and broaden pupils' vocabulary and to widen the selection of books available in order to appeal to a greater number of pupils.  The Power of Reading is CLPE's proven resource and training programme which uses quality children's literature and creative teaching approaches to support schools to develop a high quality literacy curriculum and foster a whole school love of reading and writing.	
Staff CPD	Staff are given the knowledge and skills to make their teaching fully inclusive without lowering expectations. (UDL)  Staff are trained in STEPS to enable them to de-escalate pupils when they may become heightened or dysregulated.  Staff are trained to best support pupils as they become confident, independent writers.	1;2;3;4
Purchase of Books	In order to inspire children to read independently, class teachers have an allocated budget to improve classroom book corners.  To ensure that reading books match the phonics programme, new books have been purchased along with phonics resources to support intervention.	1:2:3

Targeted academic support (for example, tutoring, one-to-one support, structured interventions)

Budgeted cost: £44,260

Activity	Evidence that supports this approach	Challenge number(s) addressed
Additional teaching staff, teaching assistants and apprentices	Additional staff will allow smaller teaching groups in English and mathematics; targeted interventions to be run to improve progress; sensory circuits and specific physical activity to improve concentration and engagement in lessons; support to enable children to access the whole curriculum regardless of barriers.	1:2:3
Forest School Provision	Children who have been identified as needing additional support for SEMH needs will have access to weekly Forest School provision. This will improve their wellbeing, confidence, communication skills and help to build relationships with others. These skills will transfer to the classroom to help improve achievement in all subject areas.	3;4

# Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £7044

Activity	Evidence that supports this approach	Challenge number(s) addressed
Work of practitioners within the pastoral team	The pastoral team offers a manager (who coordinates provision, assesses and evaluates need and impact) and practitioners who offer the following:	3;4
	1:1 tailored support for pupils	
	Nurture groups	
	Parent led CBT	
	Counselling – child and parent	
	Play Therapy	
	Family/parent Support	
	Sensory Circuits	
	Outdoor Wellbeing	
	Informal support	
	Contribution to FSP	
	Support to access external agencies eg CAMHS; Nelson's Journey	

	Transition support Support to access Schools and Communities Team This approach aims to support children to be the best they can be by creating a nurturing environment to create self-belief and belonging. Pastoral care is integral in ensuring we meet the needs of all children.	
NCCSF Active Canaries intervention programme	This intervention offers pupils dedicated lessons that focus on their mental health, self-esteem, the importance of good nutrition and physical activity.	3;4
Developing the cultural capital of pupils	Pupils are given the opportunity to experience; Young Voices; inspirational visits from authors and poets and to take part in reading projects; performances, the Nebula Speech Project and sporting events.	1;2;3

Total budgeted cost: £55,048

# Part B: Review of the previous academic year

# Outcomes for disadvantaged pupils

More than 80% of children in receipt of Pupil Premium had some intervention during the academic year. Interventions in reading, mathematics and phonics were run for pupils identified by class teachers through question level analysis or teacher assessment. These were targeted, monitored and assessed half termly. Interventions were for pupils well below the expected standard; just below the expected standard but capable of reaching it; pupils at the expected standard but capable of working at greater depth. The remaining children in receipt of Pupil Premium benefited from additional staff reducing group sizes.

Across the school pupils in receipt of pupil premium make progress in line with other pupils with similar starting points.

At Frettenham 100% of pupils in receipt of Pupil Premium achieved the expected standard at the end of KS2 in reading, writing and maths. 100% of pupils in receipt of PP achieved the greater depth standard in maths.

At Hainford, at the end of KS2, 100% pupils in receipt of PP achieved the expected standard in reading and maths; with 33% achieving the expected standard in writing. In reading and maths 100% of pupils in receipt of Pupil Premium achieved the greater depth standard.

At St. Faiths' 100% of pupils in receipt of Pupil Premium achieved the expected standard in reading, writing and maths at the end of KS2 (National reading 63%); (National writing 59%); (National maths 61%). 100% of pupils in receipt of Pupil Premium achieved the greater depth standard in maths.

Pastoral interventions were also delivered, targeting individual children and helping to raise attendance. Attendance figures for pupils in receipt of PP were: Frettenham - 94.81%; Hainford - 93.82% and St. Faiths' - 91.31%. (National data for attendance for FSM 89.4%).

# **Externally provided programmes**

Please include the names of any non-DfE programmes that you used your pupil premium (or recovery premium) to fund in the previous academic year.

Programme	Provider
Bronze Challenge Award	CC1
Tutor Led Sessions	School Staff
Forest School	Grounded Forest (Frettenham)

# **Further Information**

Our broad and balanced curriculum is supported by visitors and visits, all of which are heavily subsidised by the school; individual pupils are also supported to attend visits, including residential visits.

Physical education apprentices have been employed and they enhance after-school provision and engage pupils at lunchtimes, positively affecting behaviour.

Many children in receipt of PP access our sensory provision; this includes staffed sensory circuit sessions with specialist equipment and designated sensory rooms.

The schools are involved in community based projects which broaden pupils awareness of the world around them.
