

St Faiths' C of E Primary School

**Primary
Curriculum
2019-20**

Dear Robins,

Welcome back to the new school year. I hope you all had a great summer holiday and you're ready for the year ahead. Attached to this letter is the curriculum overview for the coming term. We have lots of exciting things planned for the coming term and on into the school year of 2019-20.

I will be setting up a 'Seesaw' account for each child. 'Seesaw' is a digital platform where we can post all the great things we are getting up to in school. You will be able to access this from home and see picture and information about our school day as well as other correspondence.

This term, PE will take place on Tuesdays and Fridays. Children will need the correct PE kit (white top, black/navy shorts and plimsols/outdoor trainers) and any children with long hair will need to ensure they have hairbands to tie their hair back. In addition, children wearing earrings will be required to take these out and store them safely in the classroom.

It is very important to be reading at home every day for at least 10 minutes. I will send home a reading book and advice on reading with your child. Please keep a record of when your child has read in their reading diary.

As a general rule, homework will be given on a Friday and is expected the following Tuesday. There will also be fun holiday homework which will be topic based.

Every child has access to 'Sumdog', this is a fantastic program full of games for practicing and inquiring maths skills. I will often set challenges and competitions to be completed at home in return for rewards.

Finally, thank you to those of you who attended our Assertive Mentoring meetings on Tuesday 3rd September. If I haven't seen you yet, I hope to see you at our coming meetings. In the meantime, if you need to make an appointment before or after school, please do so through the school office.

Many thanks,
Miss Woolley 😊

Stripes and spots

Year: 1/2
Autumn Term

Visit/Visitor

Church- Harvest festival

St Faiths center-
Christmas production

Welcome back!

What an exciting
year we have ahead
of us!

PATHS

Daily Pupil of the Day,
group work and skills,
identifying feelings and
problem solving.

Weather patterns and seasonal
changes.

Location of different animals around
the world.

History

Toys from the past.

Music

Jungle music
making.
Carnival of the
animals.

PE

Real PE.
Animal
movement.
Team games.

RE- Big Questions

Who are we? What does it mean to belong? Why are babies and adults baptised? Why do people give gifts at Christmas?
