It was World Habitat and Animal day at the beginning of October. Why not create a documentary on the wildlife in your garden or park. You can talk about what animals and plants can be found in this habitat and why they live and/or grow there (3 credits)

Plan your Halloween costume. You can up-cycle a costume from last year (1 Credit)

BBC Children In Need do amazing work, their vision is that every child in the UK has a safe, happy and secure childhood. We want your help. Work with friends and family to raise funds for this excellent cause. You could organise cake sale or perhaps buy some pudsey ears and share a selfie on social media to raise awareness.

Two weeks ago it was World Space Week!
Research the different planets in our solar system. Then write a short report on which planet you think humans could visit and why. For an extra credit you can share your ideas with us on Facebook (1 Credit)

On 16th October it was World Food Day. Write a recipe for your favourite meal (1 Credit)

As it was World Food Day and Space Week in October. Design a meal for an astronaut.
Norfolk CU would love to hear about your meal you have designed (1 Credit)

It is Energy Saving Week.

We would like you to design a passive house!
You will need to research what a passive house is and what type of material you need. Draw your design and label what materials you will be using and why you chosen this design and materials (2 credits)

Have a great October half-term from Norfolk CU team.
We look forward to seeing all the fun you have been having doing our Autumn Challenges.
Remember to log your hours on your Children's University Online Account.

Have fun completing Norfolk Children's University Autumn Challenges. Please remember activities should be supervised by an adult.
