

Music at Hainford

Hainford uses and builds upon the National Curriculum by predominately using the Music Express scheme supported by additional resources to deliver rich, well balanced and inspiring content. All children have a weekly music lesson, usually taught by our music lead.

Throughout the year, children have plenty of opportunities to perform through assemblies/collective worship, class performances and whole-school performances. Hainford is a church school and delivers a whole-school Nativity performance every year.

In addition to this, Hainford has a well-established choir and singing club. As well as performances during school events, each year choir members can perform in Norwich at the Sing-Up Festival, and the older members are offered the opportunity to perform at the Young Voices concert at the O2 Arena in London.

All children are offered the opportunity to learn an instrument and perform in a band through Rocksteady.
