Each year group has different words.

**Independent reading**

### Weekly Activities

(all to be completed across the week and evidenced on Seesaw using your Home-Learning code)

#### Maths

Pick at least 1 **My Maths** unit to complete, post on Seesaw which ones and what you scored.

**Mental arithmetic page.**

Pick the level you want to try. Answers will be posted Friday pm.

**Code Breaking Maths.**

Code cracking is fun. Find the message written in code.

#### Reading

**Comprehension:** Read 'V.E. Day Comprehension' and answer the questions.

**Audio Book:** *Friend or Foe* by Michael Marpurgo

**SPAG MATS-** There are SPaG Mats for each year group

#### Writing

This week the tasks are all based around the video 'The Piano'

**Session 1 – 30 mins**

Watch the video and write down you initial thoughts. Complete the exercise on improving the sentences.

**Session 2 – 30 mins**

Choose one of the scenes to write about. You can write it as a diary entry or a descriptive piece.

**Session 3 – 30 mins**

V.E. Day celebrations. How did you celebrate? Read the activity instructions on Seesaw.

#### Art

Design your own VE medal.

#### History

**VE Day Timeline.** Watch the video clip and create a timeline of events. Write a brief description of each event.

**Wartime Cooking**

Have a go at one of the wartime recipes (with adult supervision!)

**Enrichment**

**Morse Code**

Try to decipher the codes and make your own!

**Codes**

There is another activity set with lots of puzzles to solve.

#### Science

Follow the recipes to make some invisible ink!

## Staying active

**Pick from these or stay active with your family, walking, biking and having fun.**
