

Class 3 Home Learning

Week beginning Monday 27th April 2020

Times Tables Rockstars

Daily Activities (15-20mins)

Spellings

Each year group has different words.

Independent reading

Weekly Activities

(all to be completed across the week and evidenced on Seesaw using your Home-Learning code)

Maths

Pick at least 1 My Maths units to complete, post on Seesaw which ones and what you scored.

Mental arithmetic page, pick the level you want to try. Answers will be posted Friday pm .

3d Maths, try some of the activities can you balance books on egg shells? .

Reading

World Earth Day- Read the comprehension activity posted on Seesaw complete the questions (there are 3 levels)

Book: See attached pdf of *Felix Dashwood and the Mutating Mansion*

SPAG MATS- There are SPaG Mats for each year group

Writing

This week the tasks are all based on a writing toolkit aimed at writing spooky stories.

Session 1 – 30 mins

Complete the activities in Task 1 of this week's writing activity.

Session 2 – 30 mins

Complete the activities in Task 2 of this week's writing activity.

Session 3 – 30 mins

Complete the activities in Task 3 Use the skills learned in session 1 and 2.

Art

There is an art activity to go along with the writing toolkit. Design a front cover for a creepy book. See the activity on Seesaw

Geography

Settlements- BBC Bitesize has great daily lessons. This one is on the different types of settlements there are, it also shows an interesting comparison between London and Tokyo which will be interesting to those who have spoken to our Japanese friends.

Enrichment

Read Your Book

Record yourself reading a page of your own book.

Riddles

Have a go at the riddles that are posted on Seesaw. Don't share you answers straight away- let others try!

Shoelaces

Try some cool ways to lace your shoes.

Science Project

Habitats- Last week we looked at rainforests. This week I want you to find out about wildlife that you can see in your environment. Choose some of the animals and plants from your nature walk. See the activity on Seesaw.

Bird nests. Have you ever wondered how birds can make their nests? Have a go! See activity on Seesaw

Staying active

Pick from these or stay active with your family, walking, biking and having fun.

Try some activities from the website real PE The website address is: home.jasmineactive.com

Parent email: parent@frettenham-1.com

Password: frettenham

Make up your own Joe Wicks routine of about 3 different movements to share.

Show a new skill you have learnt while away from school.
