Writing

This week the tasks are all based around 'Lighthouse'

Session 1 – 30 mins

Watch *Lighthouse*. Answer the questions as you watch.

Session 2 – 30 mins

Write a newspaper article about the events that happened in the video clip you saw.

Session 3 – 30 mins

Diamante Poem
Try to write your own diamante poem based on *Lighthouse*

Learning Project 'Under the Sea' (Science/ Geography)

The project this week aims to provide opportunities for your child to learn more about life in and around the sea. Learning may focus on the strange and wonderful creatures and plants that occupy our oceans, their habitats and how human beings affect this environment.

Activity 1: Keep a plastic diary

Keep a plastic diary to record how much single use plastic your family uses.

What can you do to reduce your plastic use?

Activity 2. Research a Sea Creature

There are some amazing creatures in the sea. Choose one that you are interested in and find out as much as you can!

Create a fact file about the animal. You can do a report or it might be nice as a poster or powerpoint.

Enrichment

Lighthouse Bingo & Wordsearch

Use junk modelling to make a submarine. Look at pictures for inspiration.

Create or draw an underwater obstacle course (with rocks, shipwrecks, sleeping octopus etc) and write directions to guide the submarine around it.

Staying active

Pick from these or stay active with your family, walking, biking and having fun.
