

HOME LEARNING

Class 3

SPaG work

- You can work your way through some of the Everyday Edits found here:

https://www.educationworld.com/a_lesson/archives/edit.shtml

Here is a SATs Revisions pack for SPaG <https://www.twinkl.co.uk/resource/t2-e-3429-sats-survival-year-6-parents-grammar-punctuation-vocabulary-practice-and-revision-activity-booklet>

Reading

- You should be continuing to read at least four times a week as per school expectations. Add it to your reading log. We will sign it off as normal when you come back.
- If you complete any books, write a book review. You can share this when you come back.
- Try to learn a poem to recite to the class.

Maths

Please use your My Maths account to access topics for learning. I have added a number of areas to cover and children can choose which they like.

I can track what they have completed and set more if needed.

Each area has a lesson and then a homework task which gives a % score. Any scores under about 80% I would suggest repeating at another time to ensure they become confident.

Times Table Rockstar can also be used to practice their times tables and their old Sum Dog account is still active which will access to some of the games.

I would also suggest trying to work together to practice some of the more practical aspects of Maths like measuring and weighing in recipes, telling the time and using money.

If you have any questions then please comment on Seesaw and either Patrick or myself will reply as soon as we can.

Spellings

- Here are your next four spelling lists.

Year 4
library
mention
natural
naughty
perhaps
popular
possess
promise
purpose
quarter
regular

Year 4
accept
except
affect
effect
aloud
allowed
weather
whether
whose
who's

Year 4
special
strange
suppose
thought
through

especially
exaggerate
frequently
government
individual
marvellous
parliament
profession
restaurant
sufficient

Year 6
referring
referred
referral
reference
referee
preferring
preferred
preference
transferring
transference

Class Projects: Choose from the following:

Science/ Geography- Habitats/
Biomes

Research a biome (ecosystem) of your choice and create a presentation for the class. You can present your ideas in the form of a poster or a PowerPoint.

Art/ Design/ Technology

Research an inventor of your choice and create a presentation for the class. You can present your ideas in the form of a poster or a PowerPoint.

Design/ Technology

Create a new product to be used around the house. Design it and advertise it like we did with our healthy snack.

Science/ Geography- Habitats/ Biomes

Some areas to look at.

What is a biome/ Ecosystem?

Which one are you looking at?

Where are they located? Are there some examples?

What is the climate like?

What animals live there?

What is special about the biome and the animals and plants there?

Art/ Design/ Technology- Research an inventor.

- Who is it?
- What did they make?
- How did they change the world?
- What is/was their life like?
- Is there anything interesting about them?
- What would the world be like without their invention?
- What will be next?

Art/ Design/ Technology- Create a product

- What is it?
- What problem does it solve?
- How will it change your life?
- Who will use it?
- How much are you going to sell it for?
- Think about the advertising you did for our healthy snack.

Additional activities.

- Look up any places on the news or on TV shows that you watch. Like we do when we watch Newsround, think about what country the city is in and what continent that is. Also think about compass points.
- Use Duolingo.
- Find a recipe for some kind of bread, make it and complete a write up of what you did.

SATS Practice

- Some activities for 3 mark question practice:
- <https://www.twinkl.co.uk/resource/t2-e-41326-sats-survival-year-6-reading-three-mark-question-practice-bumper-activity-pack>
- Here is a SATs Revisions pack for SPaG <https://www.twinkl.co.uk/resource/t2-e-3429-sats-survival-year-6-parents-grammar-punctuation-vocabulary-practice-and-revision-activity-booklet>

Additional Resources

- There is a good KS2 home learning pack available here: http://www.tts-group.co.uk/on/demandware.static/-/Library-Sites-TTSSharedLibrary/default/vaea75f5663a038b8658d258fd198e57ce70b35d6/images/homepage/My_Activity_Book_Yrs_7_11.pdf?version=1,584,037,589,000
- You can also find useful lessons on TWINKL- they are offering free membership. Follow the link: <https://www.twinkl.co.uk/offer> and enter the code UKTWINKLHELPS to sign up.
