

## Our Vision

Our vision is to create a school where every child and adult has self-belief and the opportunity to be the best they can be, fostered through a sense of belonging, of being valued and with respect for individuality. We will be defined by who we are and what we do.

## Our Values

*When your values are clear to you, making decisions become easier.  
It's not hard to make decisions when you know what your values are*
