

## Class 1 Home Learning – Environment

### WC

#### Daily Expectations

- Spend **15 minutes** reading- books, comics, magazines- any reading is great!
- Spend **15 minutes** doing some maths, counting backwards from 10, 20 or 100 or play on **Numbots**.
- Practise reading and writing words from the high 100 frequency word list (6 per day).  
→ Write each one in a sentence. Can you use more than one?
- Spend **15 minutes** playing a phonics game on **Phonics Play** or **Top Marks**.
- **Year 1** – Spend **15 minutes** on spelling shed.

#### Writing

- \*Write a thank you letter to the people who collect your rubbish and recycling. **What could you include in your letter?**
- \*Can draw and label the plants in your garden and or in the house?
- \*Go on a litter pick around your front and back garden. **Create a poster to remind people to put rubbish in the bin.**
- \*Practise writing your first, last and middle names!

#### Reading

- \*Listen to a story read aloud (Miss Riches on Tapestry on Monday, Wednesday and Friday).
- \*Find, read and highlight words from the 100 high frequency word list in a newspaper or a magazine.
- \*Listen to **Newsround** and discuss what has been happening in the world this week. What new things have you found out?
- \*Read a book, or listen to a BBC clip about how to look after the environment.

#### Maths- Numbers

- \*Practise counting on a 100 square, you could use SPLAT <https://www.primarygames.co.uk/pg2/splat/splatsq100.html>
- \*Write out numbers to 20, or 100 (**Year 1s**) and then practise writing numbers to 10 in words.
- \*Create 5 addition and 5 subtraction number sentences for a friend to solve. **Can a grown up make some for you to solve?**
- \***Challenge:** Complete a 'measures' game on <https://www.topmarks.co.uk/maths-games/5-7-years/measures>

#### Environment

Project borrowed from Robin Hood MAT

- \***Weather Reporter:** pick a day that you would like to present as a weather reporter. **Can you create some symbols to use when you are talking about the weather? Can you record the weather everyday?**
- \***Switch it off:** Look at all the electrical devices you have in your house. **Are they all plugged in and turned on? Do they need to be?** Create a poster to place around the house to remind people to switch it off once they have finished.
- \***Recycling/Exploring Materials:** Give your child a selection of packaging to sort into groups to recycle. **Can you name the material it's made from? Plastic, paper, metal, card?**

#### Enrichment Activities

Build a den inside or outside your home. **Can you work together as a family?**

Make something you've never made before, a dessert or a drink. **Can you write a list of the ingredients you used? Can you write a recipe?**

Do some PE with Joe Wicks on YouTube <https://www.thebodycoach.com/blog/pe-with-joe-1254.html>
