**SPAG MATS-** There are SPaG Mats for each year group

### Writing

Look at the picture of rainforest paths, imagine you are on an expedition.

**Session 1 – 30 mins**

Imagine you are on one of the paths, brainstorm your senses and what you think about being there.

Decide if your journey is positive or negative to focus your vocabulary

**Session 2 – 30 mins**

Describe your journey down one of the paths. At least 8 sentences, try to include different ways of starting your sentences, adverbs, don't forget punctuation.

**Session 3 – 30 mins**

Check your writing for punctuation, can you improve verbs, adjectives, can you include a simile, short punchy sentence or personification.

### Science

**Habitats-** Research the different layers of the rainforest. These websites will help:

### Enrichment

**Create a mini garden**

Using things you find outside, create a mini garden in a box

**How to Draw an Iguana.**

<https://www.youtube.com/watch?v=8KTg63pl0s4>

**Ready, Steady, Cook!**

Help your adults to prepare a meal for the family

### Project

To tie all of your work for the week together I would like you to create a poster of the rainforest showing some animals that live in each layer. Please label your poster clearly. This might work really well as a collage. You could use old magazines, papers, pictures, leaves from your garden or whatever you can find that is no longer useful!

## Staying active

**Pick from these or stay active with your family, walking, biking and having fun.**
