Telephone: 01603 737405

Message from Gyles

After half term we will be starting off with a reading week focused on British Black History, with a visit on the Friday from Michael DeSouza the author of Rastamouse. The following week is our STEM (Science, Technology, Engineering and Maths) week to develop cross curricular links, at some point during the week you will be invited in to see what the children have created or help with some activities, so look out for invites.

Keep Collecting!!

First token is Saturday, February 9th 2019 with the final token on Friday, May 3 2019. The three schools with the most tokens as an average of total pupils will win the main prizes meaning that all schools have a chance, both big and small.
