Hainford Newsletter

As we come to this time of year, it is always helpful to reflect on all of the fantastic achievements and experiences that the children have had over the year. Below are just a few of the opportunities that children have experienced this year. Thank you to each and every one of the wider school community who have supported the school – your contribution makes a significant difference. Good luck to all children and staff who are moving on to different adventures. Have a safe and enjoyable summer break and we look forward to seeing most of you again in September.

Some of the highlights of this year:

Whitwell

Well done to all of the Hainford children who made this year’s residential trip so enjoyable. They participated in all activities with great enthusiasm, teamwork and skill. Congratulations to Chloe, Toby and Theo for dominating the long boat race on Friday morning taking the top three positions.

Regatta boat race winners!

Academic Year 2019 to 2020:

On Tuesday September 3rd, there will be Assertive Mentoring slots available for you to meet with your child’s class teacher. This is a great opportunity for you to find out about the term ahead, ask any questions and inform the class teacher about any updates. Appointment sheets are still available in the office. Alternatively, you can email or telephone the school office on Monday (2nd September) morning.

Children return to school on Wednesday 4th September. The first few days of the new academic year are vital in supporting children in settling back into the new routines and expectations for the coming year. Children missing these first few days can often be at a disadvantage both socially and academically so we strongly discourage, even more than usual, children missing school due to term-time holidays.
