Hainford Newsletter

Somehow we have arrived at the end of the school year. For those children who we had not seen since lockdown began, it was fantastic to welcome many of you back – all be it briefly - to school on Monday.

All the teachers have been extremely impressed by the quantity and quality of home learning that has taken place and we know that this will help everyone to have a successful start in September. Thank you to each and every one of the wider school community who have supported the school – your contribution makes a significant difference. Good luck to all children and staff who are moving on to different adventures.

Have a safe and enjoyable summer break and we look forward to seeing everyone in September.

Farewell to the Yr6s:

Unfortunately we have not been able to hold our final assembly this year and therefore give the usual goodbye to our year 6s. Fortunately thanks to Miss Williams, and many of you at home, we have been able to create a fitting on-line send off. Thank you for posting all your creative messages - it really meant a lot to those children.

Next Academic Year

Just a reminder that classes for next year are as follows:

Class 1 (Reception & Year 1): Miss Redgrave, Mrs Cooper & Emma

Class 2 (Year 2 and 3): Miss Riches, Mrs Allison & Lisa

Class 3 (Years 4 to 6): Miss Williams and Kelly

Bubbles

Children have been allocated into bubbles (groups of children) which will be kept separate during the school day. Bubble A consists of class 1 while Bubble B consists of classes 2 and 3.

Each bubble will have access to their own playground and field space and will not mix at all during the school day.

Drop-off and Collection

We are required to stagger the school day at the start and end of the day to ensure that we do not create a gathering of parents/children. We will use a very simple system which we require you to adhere to. We require you to attend at the time we have stated.

Please at all times keep to the social distancing requirements.

Separate drop-off and collection times for each bubble are:

Bubble A (Class 1): Drop-off **8:45 to 8:50** & collection **3pm**

Bubble B (Classes 2&3): Drop-off **8:35 to 8:45** & collection **2:50 to 3pm**

Communication

Due to the strict collection and drop off times coupled with the quantity of children to be entering and leaving the School, it will not be possible for the teachers to have their usual Hainford morning chats! We would ask that should you need to contact your child's teacher, you let the office know or use Tapestry/Seesaw. A simple email to the school office (office@hainford.norfolk.sch.uk) to update us on information we need to know for that day, would be welcomed. We can quickly organise video calls or telephone calls to discuss any concerns, queries or praise should the need arise.

School items

No school bags to be brought to school.

Children are only to bring a water bottle and lunchbox and coat/sunhat. All pen/pencils, books etc will be provided. We will allow school books to go back and forth between home and school, but once your child has finished with the book we will store this book for 72 hours before returning it to our library.

Eggcellent Egg Designs

Below are just some of the amazing egg designs that children and adults created for our virtual sports week – well done to all entries.

All dates other than holidays are subject to change.

September

3rd INSET

4th Transition for New Reception Intake

7th School open to pupils for the first day of the academic year.

Thank you for all of your continued support
