## Hainford Newsletter

### Covid Safety

Unfortunately today we have had one of our school bubbles burst (classes of children being sent home to isolate) and with levels of Covid within in our area rapidly increasing, I would again like to thank all parents and carers for their continued support in following our Covid safety measures to help keep everyone as safe as possible. Please remember that if you or your child or members of your household develop symptoms then please follow government guidelines and isolate and take a PCR test as soon as possible.

### Hainford Sports Day

With at least some good fortune with the weather, we were able to at least successfully hold a pupil's only Hainford Sports Day at the end of Jun2. Every member of staff expressed their admiration of how well all of the children cheered and supported each other irrespective of house teams. The pupils displayed both excellent sportsmanship and modelled the school's core values in every event. Congratulations

**Merryn’s Fundraising**

Good luck to Merryn from class 3 who has decided to take on the challenge of cycling to all six schools within the Nebula Federation in order to raise money for both the school and The Feed. Please see the attached leaflet.

**The ‘Value for Life’ this half-term is: Wisdom**

A Christian Perspective on Wisdom:

*Christians believe that true wisdom comes from God. As a believer grows in faith so wisdom will increase. In the Bible wisdom is seen both as a gift from God and a characteristic of God. In his parables Jesus taught that placing trust in God and recognising what is of value in life brings fulfilment*

As a school, we will be looking at parables and wise sayings.

If you have any wise sayings that you use then please share these with your children so they can bring to school for each class’s display.

**Let’s Celebrate!**
