It is now starting to feel like the end of the term. We have managed our class sports days, which I have had lovely feedback from both children, staff and some parents too. Class 3 have also managed to film their production. Details of how to view will be sent to Class3 families. It has been lovely to hear singing around school again as they have been learning their songs. Next week we say goodbye to our Year 6's, who when I first came here were in Year 1. It has been lovely to have seen them grow not only taller, but also in confidence and maturity and I know the staff feel proud that we are sending them off to high school.

Your child should be bringing home their end of year report today, they are a slightly different format from previous years, but hopefully it will celebrate all they have achieved this year.

A few people have asked me what we will be changing in September, at the moment my honest answer is I don't know and probably won't be able to give details until towards the end of the holidays. As soon as we know anything we will send the information to you.

We were hoping to have a new Class 2 classroom built over the holiday, however it has currently been detailed and will hopefully materialize, sometime over the school year. As class 2 is going to be the largest class next year, we are swapping Class 2 and 3 around to give Class 2 the bigger space. We have tried to explain this to the classes, but there still might be a little bit of confusion!

I would like to take this opportunity to thank you for your support this year, it really has been the toughest year I have ever known, and I know the staff feel the same too. We are all so proud of how the children have coped and carried on so well with their learning. We all wish you a lovely summer and come September will be ready to start the new year in earnest.

### **End of year reports**

End of year reports will be sent out today. This year we have taken into account the impact of the Spring Lockdown on your child's learning, if there has been one and will discuss what areas we will need to focus on moving forward into the next academic year. There will be an opportunity to have a brief telephone/ teams meeting on Monday 19<sup>th</sup> July if there is any aspect of the report you would like to discuss.

### **End of year water fight!**

Every year we have an end of year water fight! This year we will have three water fights, to ensure that the bubbles continue to remain separate.

The water fights are:

**Monday, 19 July 2021 = Class 1**

**Tuesday, 20 July 2021 = Class 2**

**Wednesday, 21 July 2021 = Class 3**

Please send your child to School in their PE kit on the day of the water fight. The water fight will be in the afternoon. Please send in a change of clothes for your child to get into afterwards including underwear, socks and shoes and towel.

Don't forget a water pistol!

If your child decides on the day, they do not want to take part, this is not a problem, we will have a dry area where they can watch from.

Launches on  
**10th July!**

## READING IS FUN!

You can read anything just about anywhere. Here are some ideas to help you achieve your Wild World Heroes Summer Reading Challenge target, see how many you can tick off.

- Read to a pet/toy.** Dogs like stories about cats and cats like stories about superheroes. If you find out what goldfish like, please let us know!
- Read wearing your favourite hat.** We're partial to woolly Bobble hats ourselves...
- Read in your pyjamas.** Pyjama reading is the best!
- Swap a book** with a friend.
- Read a funny book.** It **MUST** make you laugh out loud though, or it doesn't count.
- Write a book review** or make a recommendation and share it with a friend or your brother/sister
- Read a book with an animal in it.** We like the red river hog, check them out below, they have ears like Yoda!
- Read two different books by the same author.** Which one did you prefer?
- Read a non-fiction book and become an expert in something.** Why not find out about an interesting animal that you like?
- Read a recipe** (and maybe if you're brave you can then actually make it!) **← YUM!**
- Make a reading den/nest** with lots of cushions, you will find it irresistible to settle down with a good book. Perhaps with a little something to nibble on from the previous challenge? **Sorted!**
- Read a book outside.** On a bench, in the park...on a trampoline?!
- Read a poem out loud.** You can whisper it...or shout it!
- Read to your grown-up at home.** You could always cuddle up next to them while you do so!

**← AWW, CUTE!**

## Menu 2021

Introducing our **Spring/Summer School Lunch Menu**, offering high quality, varied dishes using local and seasonal ingredients where possible. These dishes have been created by our Menu Development Team to allow a flexible approach to eating a school lunch; whether that is in the dining room, in the classroom or even in an outside space!

All poultry, pork and beef we use are traceable right back to the farm and, where possible, sourced from **East Anglian** suppliers. We use wholewheat flour in our bread and pastry recipes!

A full allergen list for this menu can be found on our website -

[www.norsecatering.co.uk](http://www.norsecatering.co.uk)

Should your child have a medically-diagnosed allergy or health condition and needs an alternative menu, please complete our Allergen Aware Registration Form which can be found in the school office or on our website.

**Safety** is of utmost importance when providing a nutritious meal for your child. Please be assured, **enhanced measures and risk assessments** are in place in all of our kitchens in line with Public Health England and Food Standards Agency guidelines.

If you think your child/children may be eligible for **free school meals** visit [www.gov.uk/apply-free-school-meals](http://www.gov.uk/apply-free-school-meals)
