Sports Day

Thank you to everyone who helped make last Friday's Sports Day such a great success. Once again, it was fantastic to witness how supportive children were to each other and what a positive and competitive atmosphere was created as a result. Thank you to all those spectators/supporters who came to cheer everyone one – I hope that you had an enjoyable afternoon.

Finally, well done to members of Class 3 who ran lunchtime events in order to raise money for their Enterprise project.

Message from our PTA

Thank you for your amazing support at Sports Day. We raised £170.23 from the tombola, raffle and refreshments.

Sing-Up

Well done to Hainford Choir for their amazing performance at this year's Sing Up festival held once again at St. Andrews Hall. Mrs Allison would also like to express her gratitude to Eva, Lucy, Lydia and Rose for helping to lead some of the practice sessions during her absence. You did her proud girls!

Children's University

Children's University have made the decision that only children graduating at gold level will now be able to attend an official graduation ceremony. This decision was taken, as they felt that some children could graduate at every single level, meaning there were some children graduating up to 30 times, which was thought to be too much. They felt that children would likely look forward to the ceremonies more and feel like it is more of an achievement, if they just graduate at the top level of each certificate band, e.g. gold.

Therefore from now on, only children who have achieved enough hours to get gold certificate will be attending an official CU graduation.

In response to this decision, the Nebula Federation of schools will be looking into holding their own graduation ceremony for those children who have achieved a bronze or silver award during the Autumn Term.

Please see Mr Cross or Fiona in the office if you would like any more information.

Lost Property

Our lost property box is now overflowing with unnamed items, especially jumpers. This box will be put outside at the end of each school day, (weather and staff permitting) for you to locate any missing items. Unclaimed items will be 'recycled' ready for next year.

The 'Value for Life' this half-term is: Justice

A Christian Perspective on Justice:

The justice revealed in the Bible is always seen in the context of love. It includes the call to take responsibility for one another, especially the poor and oppressed, and to see that no-one is excluded from the essentials of life. As a school community we will be exploring how we can be fair and just. We will continue to support charities and explore global justice issues.

Illness

If your child has been ill with sickness and/or diarrhoea, either at school or at home, they are **unable** to return to school until they have been clear for 48 hours. This is in line with Norfolk County Council's guidelines. **Please remember a parent or guardian must contact the school before 9am.** Where a child is still absent when the morning registers have closed and the school has not received a telephone call, then Mrs Pamment will phone the child's parents/carers to find out the reason for the absence (in schools this is known as 'first day calling'). Please remember to inform the school by telephone on your child's first day of absence. Thank you for your cooperation with this matter.
