Whole-School Transition Morning – Thursday 30th June

We would like to wish all of our year 6s good luck for their upcoming transition days to high school during the end of this week. They have already had a visit from High School teachers and pupils and are very excited about the coming days. Enjoy.

While the year 6s are out, we will be running our own transition morning where all pupils will have the opportunity to experience a taste of school life as it will be in September. Current year 1s and 3s will spend the morning in their new classroom for next year, with their new class teacher and classmates. At the same time, our current year 2s, 4s and 5s will be able to experience the different responsibilities and opportunities that they will have next year.

Hainford will also be welcoming many of our new reception pupils to the school for the first time. They will also have the opportunity to meet their new class teacher and get their first experience of life at Hainford Primary School.

Staffing update

After a rigorous recruitment process, I am delighted to announce that we have appointed Miss L Gower as the new class one teacher from September. Miss Gower will be attending this Thursday's transition morning so families and children will be able to welcome her to Hainford Primary School.

The 'Value for Life' the start of this half-term is Justice

A Christian Perspective on Justice:

The justice revealed in the Bible is always seen in the context of love. It includes the call to take responsibility for one another, especially the poor and oppressed, and to see that no-one is excluded from the essentials of life (Values for Life).

As a school community, we will be exploring how children are made aware of issues of global justice and how we can help. Linked to one of our core values of responsibility, we will be looking at how we can further develop a sense of responsibility towards neighbours near and far. We will also think about how our school creates an inclusive community and how we can show compassion and help towards those who have made mistakes.

Let's Celebrate!

Friday 24th June	Star Award	Values Award
Class 1	Scarlett – for being a great role model	William – for being a fair and just friend
Class 2	Isobel – fantastic story writing	Michael – for playing fairly at breaktimes and helping his friends do the same
Class 3	Isabella - great contributions in class and work on her multiplication tables	Thea – for being a fair and just member of class 3

I'd also like to say congratulations to all of the footballers, swimmers and Rainbows who brought in a wide range of medals, certificates and awards that they had been presented with from clubs outside of school. It's fantastic to see so much success and engagement in clubs. Well done!
