The 'Value for Life' this half-term is: Trust

A Christian Perspective on Trust:

Trust is the basis of all stable relationships, including a person's relationship with God. It is rooted in truth, and will grow through consistent experiences of reliability and integrity. God's commitment to humanity is seen in his willingness to trust ordinary people with the carrying out of his purposes through history (Values for Life).

As a school, we will be exploring how we demonstrate trust in ourselves and others. We will explore what we can do when trust is damaged or broken and how different kinds of trust shape our community and the wider world.
