STEM week

Last week we had a fantastic Science Technology Engineering and Maths week. Across the school, fun and practical cross-curricular activities were planned by the teachers to enthuse the children's learning.

In KS1 the children found out about tropical fruit and considered how far it travels to reach our supermarkets. They plotted routes, looked at transport involved and designed and made packaging to protect the fruit. The children also enjoyed designing and making their own fruit kebabs and smoothies.

The children would like to share with you some of the learning which took place over the course of the week in all classes and we will be holding a special celebratory assembly on **Thursday 14th March at 2.40pm.** Everyone is most welcome.

Red Nose Day

If you have one, don't forget to wear your Red Nose to school on Friday!

To raise funds for Children In Need everyone is invited to wear their own clothes to school on **Friday 15th March** for a minimum donation of £1. A collection bucket will be available at the school gate in the morning.

Miss Harker will be painting children's noses throughout the day for an additional donation of 50p. Please keep this money separate. Thank you.

Please may we remind you that the yellow lines outside of school should not be used as a dropping off point. I know some parents like to drop and go, but it is important that the area immediately in front of school is kept clear at all times. Thank you.

Hansel and Gretel

Last week the KS1 Harnser children enjoyed a performance of Hansel and Gretel by Norwich Puppet theatre.

The children in Ducklings will be following up their learning in class this week by retelling the tale and using a programmable toy to navigate around the story map. In Robins, the children will be making maps and taking on the role as Fairy Tale Problem Solvers; finding out which kind of biscuit will be best for the Gingerbread house roof.

education

Please remember to ask your families and friends to collect the Lego tokens from local newspapers. A collection box is available in the foyer. Thank you.

Christian value of the week:

Forgiveness

“Do not judge, and you will not be judged. Do not condemn and you will not be condemned. Forgive and you will be forgiven”

Luke 6:37

Celebration Assembly

	Pupil of the week 1.3.19	Pupil of the week 8.3.19
	Bradley - for working hard on his letter formation.	Cieran – lots of progress in phonics.
	Amelia L – for excellent homework and making a bug hotel.	Tidus = super recipe for a Caribbean smoothie.
	Ethan – for excellent effort, especially during mathematics.	Maggie – A fantastic diary entry as a member of the Wind Rush Generation.
		Kenzy and Daniel – Fantastic persuasive letters about the Wild Rush Generation.

Every day counts!

Attendance target 98%

Attendance week ending: 1.3.19	Attendance week ending: 8.3.19
Whole school 96.67%	Whole school 96.67%
