Hainford Newsletter

Well the Easter Holidays are now here and the weather has at last begun to improve. Thank you to everyone for your support during another challenging but successful term. We hope that the children will be able to have a well-deserved rest ready for a busy summer term and hopefully get out to the parks and enjoy the spring weather.

We would still encourage your child to read regularly at home as this is the most effective support that you can provide to assist your children's overall learning. We look forward to seeing everyone back at school on Monday 12th April for the summer term.

A visit from some Easter friends

Thank you to the Hainford PTA and Morrisons supermarket for bringing some Easter cheer to our final day of this term at Hainford Primary School. Easter eggs for each child were provided to the school, enabling our annual Easter hunt to continue. Thank you also to two mysterious creatures who appeared just in time to join in with the search and welcome the children to school.

Easter Service:

As we weren't able to attend All Saints Church for our Easter service, Reverend Englesen recorded one for the children to watch during Collective Worship. This has been made available on our website.

Parent Consultations (Assertive Mentoring)

Meetings will take place online (via your child's Teams account) on the week beginning April 19th. Dates and times will be confirmed on Monday April 12th and as usual you will have the opportunity to contact the office to book a convenient time slot. The focus of these meetings will be on how your child has settled back into school and any areas that they will be specifically working on during the summer term.

Thank you to everyone for your generous donations. As a school community we raised over £110 which has been sent to Comic Relief. A special mention should be made to the Pupil Fundraising Committee and Miss Williams for organising this event.

Summer Menu

Norse's lunch summer menu will start on Monday 12th April. Menu's were sent out yesterday (25th March) and are also available on our website.

School Communication:

Please note that now that we have successfully reintegrated back into 'normal' school life, all electronic communication, (*aside from commenting on your child/children's learning*) should be sent to the school office and not sent using other channel such as Teams / Seesaw / Tapestry directly to teachers. These accounts may not be regularly monitored and are intended to be used to share pupil's work with you at home or communicate specific class news.

All other communication must be sent to the school's email address at: office@hainford.norfolk.sch.uk.

Please note that over the school Easter holidays the school will be shut. If you need to contact the school then you must use the school's office email address as usual.

The 'Value for Life' this half-term was: Generosity

A Christian Perspective on Generosity:

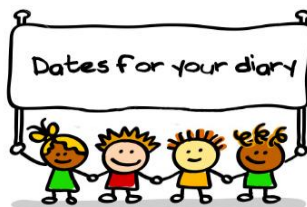

God's generosity is best described as 'grace', love given freely without limit or conditions. This generosity, once experienced and acknowledged by an individual, can in turn release a generous spirit towards others. (Values for Life).

As a school, we will be looking at the concept of giving without seeking any reward. We will explore how we can encourage everyone to act with generosity in both their words and actions

Let's Celebrate!

19 th March	Star Award Winners	Values Award Generosity
Class 1	Benedict	Isaac
Class 2	Isobel	Henry
Class 3	Lauren & Amelia	-

26 th March	Head of School's Award	Star Award Winners	Values Award Generosity
