Bluebell Walk

This Wednesday, all classes enjoyed a local nature walk to the 'Bluebell Woods' in Stratton Strawless. Children explored the woods and the local habitat, used classification keys to identify plants and animals and used the beautiful surroundings as inspiration for some lovely art work. The afternoon was completed fittingly by an act of collective worship led by Rev. Englesen.

Goblin Racer

As part of the Nebula Federation of schools, Hainford children have access to a kit car (called a Goblin Racer) aimed at KS2 children. The aim of this STEM, (Science, Technology, Engineering and Maths) project is to inspire children. Over the coming weeks, pupils will be learning how to drive, fix and set-up the car in order to achieve the fastest speed.

A group of 6 children will then be selected to race the car at Scottow industrial estate during the regional Greenpower race day on Friday 7th June.

A special assembly:

Last Tuesday, Georgia, an ex-pupil of Hainford, returned to lead an assembly about following your dreams. Georgia is currently pursuing her ambition to become a star in musical theatre and performed one of her current songs. What an inspiration!

Congratulations RED house!

Last Friday, all of the children in red house were able to come to school in non-school uniform. During the day, children were treated as if they were V.I.Ps with preferential treatment at the lunch and snack-trolley queues and the option of having lunchtime playtime in class 3. Well done to all of Red house!

Housepoint scores are close between all of the houses so it is 'all to play for' during the summer term.

Pupil Fundraising

Pictured above is Thomas presenting the school with the musical equipment and microphones that was bought with the money that he raised from his sponsored bike ride. Mrs Allison was extremely grateful and is looking forward to using these in music lessons and school performances – Thank you Thomas!

The 'Value for Life' this half-term is: Forgiveness

A Christian Perspective on Forgiveness:

Forgiveness is the means by which damaged relationships are restored. It is an act of the will, motivated by love. For Christians, Jesus' death on a cross is the ultimate revelation of God's all forgiving love, and his sacrifice stands as a source of inspiration to forgive others, no matter what the cost. (Values for Life).

As a school, we will be exploring how children and adults within our community acknowledge that we all mistakes and need forgiveness.

Let's Celebrate!
