Class 3 Walk around Waterloo Woods

On Thursday, Class 3 had their first outing this year to the woods adjacent to Waterloo Road. Children took pictures, made measurements and identified possible 'beauty spots' as part of their current Geography topic. All children behaved exceptionally and were a credit to the school.

Continued Covid Precautions

All current Covid precautions will remain in place until further updates from Norfolk County Council. We therefore continue to require all parents / adults who come on to school site to wear masks or face coverings unless medically exempt.

Lost Property

Each class is beginning to collect an increasing number of unnamed jumpers and cardigans. Please can you ensure that everything is clearly named as these items can be quickly returned to their owners.

Whole class and Year 6 Leavers photographs

Weather permitting, these photographs will now take place on Wednesday 19th May. Please could year 6s ensure that they have their black jumpers with them. Class 3 will have PE on a different day that week which will be confirmed nearer the time.

Norse: Under the Sea Special lunch

Just a reminder that on Thursday 20th May there is special lunch (information was sent out last week). There are therefore no jacket potatoes or school packed lunches available on Thursday.

The 'Value for Life' this half-term is: Respect and Reverence

A Christian Perspective on Respect and Reverence:

The nature of God, as revealed in the Bible, presents all people with a choice. Those whose response is one of respect are acknowledging God's greatness, authority and involvement in the world. This will extend to respect for the created order, including humanity made in the image of God. Reverence takes this response a step further and will include aspects of worship such as awe and wonder, surrender and sacrifice.

As a school, we will be looking at how children show their respect for each other and adults in the school community. We will look at how children are encouraged to value and respect their own and other people's belongings and the wider environment.

Let's Celebrate!

14 th May	Star Award Winners	Values Award Respect and Reverence
