Christian Value of this Half-Term:

HUMILITY

John Wesley ~

Humility and patience are the surest proofs of the increase of love.

Sports Day

As we missed out on Sports Day last year, we are pleased to say this year's Sports Day will be made into a week-long celebration. We'll begin the week with some class-based Sports activities, before we host a whole-day event on Thursday 17th June. The week will finish with the Community Sports Foundation's Sports in School on the Friday. Unfortunately, due to current Government guidelines, we will be unable to invite parents into school, but we will be taking lots of photos that you can see on Tapestry and Seesaw. More information will be shared nearer the time.

School Photos

We'll soon be welcoming Wendy back to school to have our long overdue individual and class photos! Tempest Photography will be in school on **Thursday 20th May**. For those children who have PE, please ensure the children have their school polo shirt and jumpers on the top half, so they look smart for the pictures, with leggings, shorts or jogging bottoms and trainers to participate in PE. As mentioned, we are unable to offer family portraits this year.

Census Lunch

This Thursday will also be the special lunch day. If you wish for your child to have the special lunch, please order via Parent Pay. Please note: There will be no other lunch choices on this day.

Regular Reading

We have purchased some wonderful independent reading books for the children to further bolster our reading book selection. The children read regularly in school and we ask that you read regularly with your children at home too. With libraries open once again, there are some incredible worlds just waiting to be discovered. In addition to hearing your child read, no child in our school is too old to enjoy a shared text. Listening to, and enjoying, a story is just as important as practising the skill of reading. Please upload your reading journals to Tapestry and Seesaw.

Bug Hotel

Mrs Hopkins has worked really hard with the children to create an engaging and inviting bug hotel. After the older children worked on the structure with Mrs Nerney, our youngest children spent the week 'furnishing' the hotel, creating a palace fit for a queen (bee!). Thank you once again to everyone who provided the materials to make this project possible. The children in Key Stage Two have used this experience towards getting their green Blue Peter Badges!

Internet Safety

We have had a couple of internet safety-related safeguarding discussions in recent weeks and with the children having spent so much time indoors and online, I want to take this opportunity to remind parents and carers of places to get internet safety help. Games and apps such as Fortnite and What's App have age limits set at secondary school age. As a parent, it isn't always clear how to ensure children's safety. A great online resource is the [National Online Safety](#) website. Clicking the link will take you to a variety of guides including staying safe on Roblox, Snapchat or What's App. Attached to this newsletter is a guide to setting parental controls on Apple and Android devices. If you would like any additional support or you have any concerns, please get in touch and we will help you however we can.

Attendance

School Target: 97%
So far this half term: 95.1%

				
Autumn Term	94%	90.87%	96.67%	95.13%
Spring Term	92.13%	91.95%	97.95%	96.81%
Summer Half-Term 1	95.86%	93.38%	97.64%	92.85%

Please note: Attendance figures include authorised Covid-related isolation.

Well done to **Elm Class** for having the best attendance this fortnight!

Superstars

A very big congratulations to the following children from each class for receiving their weekly 'superstar' award:

	Chester – Showing a good scientific knowledge about life cycles. Oscar – Working hard, including hoosing personal challenges.
	George W – Excellent writing in depth, with lots of interesting features. Philippa – Good use of paragraphs when writing at length.
	Connor – A great piece of writing in role. Wilf – Being a great team player during cricket.
	Adam – Thoughtful understanding and responses during guided reading. Barney ~ Excellent reasoning in relation to a Mayan archaeological dig.

Key Dates for Your Diary

Blue = new

Month

Event

May

- 20th ~ Tempest photography – individual and class groups
- 28th ~ Last day of Half Term

June

- 5th ~ First day of Half Term
- 14th ~ Sports Week
- 17th ~ Sports Day
- 18th ~ CSF Sports in School Day
Broadland High School Transition Morning
- 24th ~ Broadland High School Transition Day
- 25th ~ Broadland High School Transition Day
- 30th ~ Aylsham High School Transition Day

July

- 1st ~ Aylsham High School Transition Day
- 2nd ~ Aylsham High School Transition Day
Y5/6 Nebula Cricket Day (selected children)
- 9th ~ Y3/4 Nebula Cricket Day (selected children)
- 14th ~ Hellesdon High School Transition Day
- 15th ~ Hellesdon High School Transition Day
- 16th ~ Hellesdon High School Transition Day

How to Set up PARENTAL CONTROLS

to limit age-inappropriate

CONTENT iPhone

www.nationalonlinesafety.com

The parental controls on iPhones allow you to block or restrict certain apps, features, content, downloads, or purchases. Setting limitations on content ratings, Siri and web searches enables you to filter out age-inappropriate content and vastly reduce the likelihood of your children being exposed to unsuitable material and information.

18+ Set up content rating restrictions

Content filters keep your child from viewing unsuitable material. They block apps, films and TV shows with specific age ratings, and music and podcasts with explicit content.

- 1 Open Settings
- 2 Tap Screen Time
- 3 Enable Content & Privacy Restrictions
- 4 Tap Content Restrictions
- 5 Choose the Settings for each feature you wish to restrict

Set up web restrictions

Website content filters restrict age-inappropriate content on Safari. You can also blacklist certain websites or allow access only to approved sites.

- 1 Open Settings
- 2 Tap Screen Time
- 3 Tap Content & Privacy Restrictions
- 4 Tap Content Restrictions
- 4 Tap Web Content
- 5 Choose between Unrestricted Access, Limit Adult Websites and Allowed Websites Only
- 7 Choose which websites you wish to allow/block

Set up Siri web search restrictions

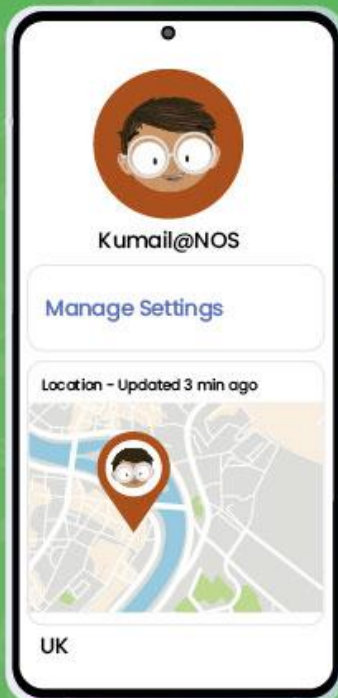

You can screen out explicit language to avoid Siri displaying inappropriate results. You could also disable Siri entirely, so your child can't use it to search the web.

- 1 Open Settings
- 2 Tap Screen Time
- 3 Tap Content & Privacy Restrictions
- 4 Tap Content Restrictions
- 5 Scroll Down to Siri
- 6 Choose to block either or both Web Search Content and Explicit Language

How to Set up PARENTAL CONTROLS to limit age-inappropriate CONTENT Android Phone

The settings on an Android device allow you to prescribe certain rules for when your child is using it. For example, you can block specific types of content to reduce the risk of your child being exposed to age-inappropriate material (music with explicit lyrics, for instance, and games, TV shows or movies that are unsuitable for young people). There are two ways to access parental controls on an Android phone: through Google Play or via the Google Family Link app. You can also lock your changes behind a PIN, so your child (or anyone else) can't change them back.

Set up parental controls with Google Family Link

- 1 On your phone, install Google Family Link for Parents
- 2 Tap Open and review the information
- 3 Tap Get Started
- 4 Tap Next to set up your child's device
- 5 On your child's phone, download Google Family Link for Children & Teens and enter the Family Link setup code provided
- 6 On your phone, open the Family Link app
- 7 Tap your child's name
- 8 Tap Manage Settings
- 9 Tap Controls on Google Play
- 10 Tap the content you would like to restrict
- 11 Choose how to filter or restrict access

Set up parental controls with Google Play

- 1 Open the Play Store app
- 2 Tap Menu (represented by three horizontal lines)
- 3 Tap Settings
- 4 Tap Parental Controls
- 4 Enable Parental Controls
- 4 Create Pin
- 4 Tap the content you would like to restrict
- 4 Choose how to filter or restrict access
