Summer Term

For the first time in a while, it has been exciting to sit down with a diary and try and fit in all of the events planned for a term. We will at last be able to host whole school parent events and celebrate sports day and final assembly as a whole-school community. Hainford's PTA have been hard at work looking at how they can support these events while raising some much-needed funds in the process. We are very much looking forward to a busy and enjoyable summer term.

Sports day

On Thursday 7th July, we will be having our family lunchtime picnic followed by our Sports Day which will begin from 1pm. Families are invited to come and share a picnic with their children on the school field and then support the children during the many athletic events. If there is particularly bad weather that day then Sport Day would be moved to 21st July.

Open School Event

On Wednesday 13th July, we will be opening up the school so that parents can celebrate children's work. You will be invited in to view pupil's books and watch various performances and presentations. Hainford's PTA will be supporting with a 'strawberry tea'.

There are many other events and trips planned so please keep an eye on the school's website and newsletters so that you don't miss anything.

Queen's Jubilee party

On Friday 27th May, children will be enjoying a picnic, royal games and crafts in the afternoon. Parents are invited to a royal home-made cake sale after school.

The 'Value for Life' this half-term is Forgiveness

A Christian Perspective on Forgiveness:

Forgiveness is the means by which damaged relationships are restored. It is an act of the will, motivated by love. For Christians, Jesus' death on a cross is the ultimate revelation of God's all forgiving love, and his sacrifice stands as a source of inspiration to forgive others, no matter what the cost. (Values for Life).

As a school, we will be exploring how everyone makes mistakes and how we can find forgiveness from others and God. We will look at how we can make amends and how this helps to build a school community.

Let's Celebrate!
