

<p><b>When should my child self-isolate or miss school?</b></p> 	 <p><b>NO</b></p>	<ul style="list-style-type: none"> <li>• All children <b>MUST</b> attend school unless they are ill</li> <li>• From 16 August 2021, children under 18 (or double-vaccinated adults) do not need to self-isolate or miss school if a member of their household or a contact, has Covid.</li> <li>• Instead, you will need to book your child a PCR test but they can continue coming to school so long as they have no symptoms whilst they await the result of the PCR test.</li> </ul>
	 <p><b>YES</b></p>	<ul style="list-style-type: none"> <li>• If your child develops Covid symptoms at home, they should stay at home and you should book them a PCR test, <b>NOT</b> a Lateral Flow test.</li> <li>• If your child develops Covid symptoms at school, they will be sent home and you should book them a PCR test.</li> <li>• If your child tests positive for Covid, they will need to self-isolate. The rest of the household does not need to self-isolate if they are under 18 or fully vaccinated – but instead should book a PCR test.</li> </ul>

Covid Community Risk	Description	Actions
 <p><b>Low Community Transmission. No School Cases</b></p>	<p>There have been no cases of Covid within school for 10 school days.</p> <p>Cases of Covid locally are low and/ or stable.</p> <p>Hospitalisation/ Deaths due to Covid nationally are low.</p>	<p>No Covid measures are necessary beyond:</p> <p>Reminding children of good hand-hygiene.</p> <p>Ensuring good ventilation is encouraged where practical.</p> <p>Ensuring Children / Staff to stay at home if they have Covid Symptoms (and to book a PCR test).</p> <p>Staff will continue to test themselves using Lateral flow tests until the end of September.</p>
 <p><b>Rapidly Rising Community Transmission</b></p>	<p>No current Covid cases have been recorded at school, but...</p> <p>Cases of Covid are rising rapidly in the community causing disruption to other local schools.</p> <p>Norfolk Public Health / Public Health England issue warnings of expected local/ national infection wave.</p>	<p>Ventilation of classrooms increased &amp; handwashing supervised.</p> <p>Large indoor public performance audience numbers reduced.</p> <p>Staff-room capacity reduced.</p> <p>Numbers reduced for assemblies and school gatherings.</p> <p>School specific risk assessments used – actions taken which mitigate risk further but do not limit ability to provide whole curriculum to all classes/year groups.</p> <p>Individual risk assessments may be reviewed.</p>

 <p><b>A single child tests Positive</b></p>	<p>A single child tests positive for Covid in a class.</p> <p>There are fewer than 5 cases in the year group.</p> <p>No other year groups are affected.</p>	<p>The child self-isolates for 10 days. Remote learning will be provided if they are well enough to complete it.</p> <p>The parents of the child may be contacted directly by NHS Track and Trace to establish likely contacts.</p> <p>The close contacts may be contacted by NHS Test &amp; Trace and advised to book at PCR Test.</p> <p><b>Children do not need to miss school or self-isolate whilst they wait for the result of the PCR test unless they have Covid Symptoms.</b></p> <p><b>Schools no longer inform parents of positive cases. Schools no longer are responsible for Test and Trace.</b></p>
 <p><b>5 children or staff within a year group test positive within 10 days of each other OR 3 children or staff in a single Class</b></p>	<p>There have been 5 cases of Covid across a year group within 10 days which could mean that Covid is spreading within that group of children.</p>	<p><b>As above for each positive case.</b></p> <p>The school will discuss the outbreak with Norfolk Public Health and will be advised <b>IF</b> the school needs to strengthen protective measures for 10 school days. These <b>MAY</b> include:</p> <ul style="list-style-type: none"> <li>* Re-introducing staff face masks for corridors &amp; communal areas.</li> <li>* Adapting, limiting or postponing indoor sporting events, trips, , extra-curricular clubs, open days and performances.</li> <li>* Reverting to video-link Assemblies in classrooms.</li> <li>* Reducing the number of classes staff work across.</li> </ul>
 <p><b>Covid cases continue to increase rapidly within a 10-day period.</b></p>	<p>Despite the measures indicated above, Covid cases within the school continue to rise within a 10-day period with multiple classes and staff affected, suggesting that Covid is spreading widely throughout the school.</p>	<p>Incident Management Team meeting held between the school and Norfolk Public Health to agree further measures, for a further 10 school days, including:</p> <ul style="list-style-type: none"> <li>* Re-introducing class bubbles.</li> <li>* Reverting to class-based school lunches.</li> <li>* Limiting all non-essential visitors to school.</li> <li>* Postponing all non-essential events.</li> <li>* <b>Re-introducing remote learning for individual classes for 10 school days considered.</b></li> </ul>
