Welcome Back

What a wonderful welcome back we have had these past two days with excited children and lots of smiles. It's been lovely to hear about so many of your amazing experiences over the summer and meet so many new faces. Thank you to all parents/carers and staff for supporting the children so successfully in their new adventure.

Our new reception pupils have quickly settled into life here at Hainford and it has been rewarding to see how compassionate and welcoming the older children have been towards our new pupils. We look forward to another successful year ahead.

Over the summer and thanks to Hainford PTA's fantastic fundraising, our playground markings have been refreshed. We look forward to many years of enjoyment for our pupils.

A call out for parent/adult helpers

We are looking to create a pool of adult helpers to support the school with trips, activities and hearing children read for the year ahead. Any support would be greatly appreciated.

Volunteers would need to complete a Volunteers DBS check which, in the vast majority of cases, will be free-of-charge. Please contact the school office to find out more.

Free School Meals Applications

Criteria changed over the summer term, meaning that many more families are now eligible for Free School Meals funding. The funding plays a really important role in the school for your child. If you have not already applied, or unsure if you are eligible, please use the link:

A message from our SENDCo

Hi, my name is Mary Board and I am the school Special Educational Needs and/or Disabilities Coordinator (SENDCo). I teach at Frettenham Primary School but am SENDCo across our three Harnser schools. If you would like to get in touch to talk to me about any worries or concerns you have regarding your child's needs, Thursday mornings are the best time as I do not teach then. But you can also speak to me after school. Please do get in touch with your school secretary who will help to arrange a phone call or meeting.

Thank you!

School Website

Our school website <http://www.harnserfed.co.uk/> contains a huge amount of advice, documents and information for parents such as our curriculum, transition documents and staying safe-online. I would urge all parents/carers to regularly visit our website.
