Hainford Newsletter

A belated welcome back to everyone after what seems like a now a very distant Easter break. Now that the Summer term is upon us, please can you make sure that when sunny, children come to school already wearing sun cream and with a hat and water bottle.

We have had several lovely weeks back with Classes 2 and 3 taking part in an educational visit to Norwich Cathedral, all children taking part in several special assemblies and everyone enjoying the fantastic weather during the first week back. Thank you for supporting our NSPCC day so generously; the representative was very impressed by the maturity and warmth that she experienced when working with the children.

At Hainford our attendance is usually very good, while many children's attendance is excellent there are still too many children who have the odd day off every now and again because they are feeling a little tired or under the weather and who are then fine the next day. Please encourage your child to attend if at all possible. We will contact you if we feel they are too unwell to be at school during the school day.

Furthermore, there are still far too many pupils missing school due to term-time holidays. The impact of this both socially and educationally can all too often be far greater than many parents understand.

A child who continually has attendance of 90% is missing the equivalent of nearly 4 weeks of schooling over the year.

Recycling

A big thank you to everyone who collected recycling stars over the past few weeks. As a community we have now collected so many vouchers that we have already raised **£230** for the school. Thank you to everyone for your diligent recycling and voucher collecting – keep up the great work.

School Uniform:

Hainford school baseball caps are now available to purchase through Tesco.

This half-term's value

A Christian Perspective on *Hope*

Christians see their hope in God's promise "that love and goodness have, and will ultimately, overcome all evil". This hope is manifested in the life, death and resurrection of Jesus Christ.

As a school we will be exploring how we can play our part in creating a more sustainable environment and a better society. We will look at how we can promote a hopeful future and the importance of new beginnings and a fresh start.

Let's Celebrate!

Attendance figures for the first two weeks of the Summer Term are:

CLASS 1- **94.9 %**

CLASS 2- **98.0%**

CLASS 3- **98.4%**

27 th April	Head Teacher Award Winners	Values Award (Hope)
