

Nebula  
where stars are born

**Friday 4<sup>th</sup> May 2018**

**Newsletter No 14**

**Address: 25 Manor Road, Horsham St Faith, Norwich, Norfolk NR10 3LF**

**E mail: [office@stfaithsprimary.norfolk.sch.uk](mailto:office@stfaithsprimary.norfolk.sch.uk)**

**Website: [www.harnserfed.co.uk](http://www.harnserfed.co.uk).**

### **Recycling Stars**

I'm pleased to tell you that the latest count of our Recycling Stars vouchers is 319. This equates to £205. The overall total money earned to date is £275 which is fantastic! Could I please ask you to remind the children only to remove vouchers from their own bins or neighbours' bins that they've been given permission for. Thank you. Last week you received a leaflet about special offers and arrangements regarding compost bins for Norfolk residents.

### **End of Key Stage Statutory Tests (SATs)**

We are now approaching the Year 6 and Year 2 testing period. KS2 SATs week begins on Monday 14th May followed by Year Two beginning the 21<sup>st</sup> May.

The children have been working really hard in preparation and to make the experience as relaxed as possible, Miss Wilson will run a pre-SATs Breakfast Club for Year 6 throughout the week. A letter with more information will come home next week. For Year 2 children we will continue to make the routines as normal as possible.

Parents of pupils in Year 2 and 6 might be interested in an [information leaflet](#) or [short video](#) available to view online <https://www.gov.uk/government/publications/key-stage-1-and-2-national-curriculum-tests-information-for-parents>

Both provide information about the purpose of the tests, how parents can best support their children and how results will be reported.

Thank you for continuing to support and encouraging all the children in our school - especially in Years 2 and 6 - to do their best!

### **Sumdog**

In the last week only 7 children have logged onto Sumdog out of 104 students. Please make sure to take full advantage of this free maths resource which will support your child with their maths at home. Remember that each week we award a certificate to the top mathematicians with the most questions answered and percentage accuracy.

### **Water Bottles, Sun Hats and Sun Cream**

Hopefully we will get some more fine weather soon. Please could all parents and carers ensure that their child brings a water bottle (with drinking cap) and a sun hat to school each day. These should be clearly named. Parents and carers should also apply sun cream to their children before school each day, as an additional precaution, in order to protect them from the sun. Please note that children are only permitted to wear sunglasses at school if medical evidence can be provided to support the need for the glasses.

## Summer Fayre 9<sup>th</sup> June

The popular village Fayre is fast approaching. We would like this year to be as successful as possible and we cannot do this without your help.

As you know a percentage of the money raised comes back to us at school; keeping the cost of trips to a minimum and funding curriculum enhancement days.

Our trusted and hardworking band of helpers are running thin on the ground and are requesting your help. If you could help on the day in any way at all, no matter for how long please contact Sue Gurney. If you yourself, or you know somebody who might like a stall, please do not hesitate to contact Sue. Many thanks.

An easy way to be involved is to return the 'Lucky Cup' your child received a few weeks ago. Please fill this with small items such as sweets, toys or stationery. Disappointingly to date only 20 have been returned. If you require another cup please contact the school office. Thank you.

We would also be grateful for donations of unwanted cuddly toys and in addition any gifts that can be used for raffle prizes including chocolate and biscuits. A box is outside the office for your kind donations.

On Friday 25<sup>th</sup> May we will be holding a non-uniform day. In return please bring in something chocolatey.

### Toy Sale

Thank you Marissa Murton for organising the toy sale last weekend. Sadly the event was not well attended and raised £35 for school. I would like to thank Marissa, Sonia Webster, Emma Haylett, Nadine Wilks, Mr Haxell, Hannah and Sharon Coleman. Your time and support is greatly appreciated.

### Royal Wedding

Weather permitting on Thursday 17<sup>th</sup> May the whole school will be joining together on the playground for a street party themed lunch.

To celebrate the occasion we are asking all children to come dressed in red, white and blue.

The Ducklings children will be decorating a cake provided by Norse that we will be sharing.

A big thank you to Wilfred's nan, Sharon for providing some amazing resources for the Robins class Garden Centre role play area. The children have really enjoyed playing with them.

Christian value of the week:

### Friendship

And as you wish that others would do to you, do so to them.

Luke 6:31

## Celebration Assembly

	Pupil of the week 27/4/18	Pupil of the week 4/5/18
