### Message from Gyles

Well done to those Year 6 children who went to Whitwell this week. All the reports I had back were that they were superbly behaved and polite. Thank you to Roxy for also doing a great job of ensuring they all came back tired, but happy.

Over the last term we have been discussing to adopt some core values for the school. The children have shared their ideas and I have tried to collate all the most popular ones. From the 3 classes it seems that they believe **Friendship, Courage and Creativity** are the ones they feel are most important. I think they are really true of the school and I feel really proud to have these as our core values.

Next Friday is our Fathers' day breakfast from 8am. On speaking to the Friends we felt it was a good opportunity for fathers to do some reading with their children. I will speak to the children in assembly and ask them to bring a book in that they would like to read with whoever is coming in. I will also put some books out in the cottage to choose from and hopefully if the weather is kind they will be able to have some super story time, while munching on their bacon sandwich on our picnic tables.

Next week we have Road Safety and cycling training all week. If your child is in Year 4/5/6 you should have received a letter saying when they need their bike in school, check the dates on the newsletter if you are unsure. The children's bikes need to be in good working order and they need a helmet which fits properly too. No bike, no training I'm afraid. Thank you to the volunteers who have kindly said they will assist the training, to enable it to take place.

Finally term time holidays. While I cannot authorise holidays in term time, unless they are exceptional circumstances, I obviously cannot stop you taking them. However, I would appreciate honesty. Our registers are a legal document and therefore we must input a truthful reason/code for why a child is away. We are able to change the absence reason retrospectively, for instance if a child comes back to school with a glowing suntan and tells us all about their lovely holiday, despite having received notification of an illness... Just something to consider. It would be up to the parent to challenge this and provide evidence to a court if necessary, if a fine was issued as a result of the absences.

## Road Safety Week – Timetable

**11 June – 15 June 2018**
