### **Transition Days**

On Monday 9<sup>th</sup> and Tuesday 10<sup>th</sup> July the children will spend time in the class they will be in next year with their new teacher. The children should go to their usual classroom in the morning for registration and will return before the end of the day so collection will be as normal.

We would like to welcome Mr Donhou to our school who will be teaching the Barn Owls class in September. The children will have the opportunity to meet with him on Monday and Tuesday with some fun 'getting to know you' activities.

Miss Wooley will be teaching the Robins Class in September and I am sure you will join with us in making her feel most welcome.

Mrs Landles welcomed our new Ducklings children to school for their first stay and play sessions earlier this week. It was lovely to meet our new children and their families and look forward to sharing a school lunch with them on Tuesday.

### **Assertive mentoring**

The teachers are looking forward to seeing all parents, so make sure to book your appointment to avoid disappointment. If you are unable to attend the meeting please contact the class teacher who will be happy to arrange a mutually convenient time. Don't forget Michelle Bellemy our behaviour specialist is available on Thursday 12<sup>th</sup> July for any parents wishing to speak with her.

### **Sponsored Run**

I hope you have been busy collecting sponsors for our run on Wednesday 11<sup>th</sup> July? On the day you will need to provide your child with a hat, sun cream and a water bottle. If the weather continues to be this warm we will all need to make sure that the children are safe in the sunshine.

We are asking that all children come to school dressed in their school PE kit, consisting of a white T – shirt, black shorts and trainers or plimsoles. We will remind your child to take home all their kit on Tuesday.

Please refer to previous e mail for any further information.

Many Thanks for your support.

### **Children's University**

Congratulations Dale, Matthew and Darcey for graduating from Children's University. Please continue to collect stamps for your passport at after school activities and clubs over the summer holidays as we hope to send even more pupils in the Autumn term.

## School Disco

By now you will have received your child's invitation to the school disco. All Tickets must be paid for no later than Friday 13<sup>th</sup> July please. We are urgently requesting some additional adult help. Please contact Sue Gurney or the school office if you are able to lend a hand. Without sufficient support we will unfortunately have to cancel the event.

## Spree books

Next week you will receive your Spree Book containing lots of local discounts and offers on family trips, days out and food. Not only will this save you ££££ but also help raise funds for our school. The more books we sell the more ££££ we make! If you do not require your book and to avoid unnecessary charging please place it the following morning in the yellow deposit box on the school gate. Thank you.

## City Sports

Well done our team of Barn Owl and Kingfisher athletes who participated in City Sports at the UEA Sports Park. The team had the opportunity to compete against many schools from around Norwich. Track and field events included relay, hurdles, long jump and throwing. I hope that you all had fun? Well done to the Year 6 girls for getting through to the semi-final relay. We are proud of you all.

## Year 6

Look out for our year 6's in September who will be wearing a black St Faiths' cardigan or jumper to make them more easily recognisable.

## Film festival

The Barn Owls class were excited to be asked to take part in the Film Festival this year, along with the Nurture group. In the Barn Owls class, we used our WW2 evacuee diaries and pictures to bring the evacuee experience to life.

Thank you to the Barn Owls and Nurture Group children who worked hard on their films.

## Norse Catering

All dinner money must be paid up to date before the end of next week please.
