

Ducklings Home Learning

Week beginning Monday 18th May 2020

Daily Activities

Numbots

Listen to The Daily Story
on Tapestry

Read with a Loved One
Try Oxford Owls online for free ebooks!

Weekly Activities

(all to be completed across the week and evidenced on Tapestry)

Maths

Number: Counting sounds
See Tapestry

Problem solving:
Pairs

SSM
How many cups?

Writing

Session 1
How's the weather?
Song On Tapestry

Session 2
Weather Picture
On Tapestry

Session 3
Weather Forecast
See Tapestry (Grover)

Science

Choose any country in the world and check out their weather. Is it the same as ours today?

Keeping Active

(Try at least two of the following this week. Get your family involved too!)

Joe Wicks
Daily workouts on youtube

BBC Supermovers
Choose 2-3 different videos

Cosmic Kids
Available on youtube

Real PE
(password emailed to parents)

Active Norfolk
<https://www.activenorfolk.org/active-at-home>

Get Outside
Go for a walk/cycle around your local area

Enrichment

Music is a Magic Key
Which songs make you feel good? Why not sing along to, or make up, a song that makes you feel good? Film a pop video and send it to us!

Be Prepared for All Weathers
See Tapestry (clothes)

Ready, Steady, Cook!
Help your adults to prepare a meal for the family

Project – The Environment

Kindly borrowed from Robin Hood MAT

The project this week aims to provide opportunities for your child to learn more about the environment. Learning may focus on changes to different environments, the impact of humans on environments, climate change etc.

Daily Weather

Record the weather using pictures and written labels. How has the weather changed over the week? If it is raining, leave a container outside to collect the rain e.g. a water bottle with the funnel cut off. Draw a line or make a mark to show where the rain came up to. Repeat if possible to compare your results.

Rainmaker

Using either a plastic container, bottle or other junk modelling item, pour in a spoon or two of rice or lentils and secure with a bottle lid or sellotape. Decorate with stickers, glitter and sequins if you have them available. Have fun exploring and making rain sounds.

Ice Cube Igloo

Search on Google Maps for the UK. Discuss with your child the colour of the land and sea. Scroll up to look at the Arctic. Discuss why the land looks different in the Arctic, because the land is covered in snow and ice. Discuss the differences in temperature in the UK and the Arctic. Look at a picture of an igloo on google. Fill an ice cube tray with water and when frozen take out and support your child to create their own igloo out of the ice cubes.
