Our Plastic Problem
Every year in the UK, we throw
Plastic does not disappear over
means that it will stay in the gr
by using less plastic in their houses and choosing plastic that can be recycled.

Why don't you try one of these ideas?

• Take the same plastic bag to the supermarket every time you go

• Use a reusable water bottle for your drinks

• Recycle plastic packets found at home, like shampoo and milk bottles.

Earth Day 2020

Green Fingers

The plants on our planet are very important. They help take some
of the warming gases out of the air and are food for important
insects such as bees. Plants also create a safe home for many types
of wildlife. Try planting some bee-friendly plants and trees in your
garden. You could even have a go at growing your own vegetables.
You don't need to have a garden to grow plants. Plant seeds in pots
on your windowsill and watch them grow. Just don't forget to water
